

PSYCHOLOGY Associate in Arts

General Requirements: Total Hours: 64 • Minimum GPA: 2.0

Program Description: The Associate in Arts in psychology consists of a curriculum which provides learning experiences in early and contemporary theories of behavior such as: how individuals think, behave and make decisions, relate to others, adjust to and/or cope with stress, appreciate and value differences in individuals and groups and understand themselves and others. Upon successful completion of the A.A. Degree in psychology, a student will be able to seek an entry level position in a human services agency and/or continue his or her education.
