

VITICULTURE Certificate of Mastery

General Requirements: Total Hours: 15 • Minimum GPA: 2.0

Program Description: The program emphasizes the application of viticulture and winemaking theory for decision-making in actual production situations. The Viticulture and Enology Certificates prepare students for direct entry in the wine industry upon completion of their course of study at Redlands Community College. Also, students currently employed in the wine industry may upgrade and update their skills and knowledge and those with a general interest in wines, pairing wine and food and viticulture and grapevines may take classes for enjoyment and further knowledge. In addition, courses are available for students interested in transferring to a four-year institution.
