The tables below contain the headcount (HC) and graduation/completion rates for all athletes (Tables 1 & 2) and athletes receiving athletic-related financial aid (Tables 3 & 4).

The percentage of 'normal time' to graduation is also given; 'normal time' is defined as two years and 100% of a two-year program.

For the areas highlighted in yellow, the percentage of time to graduation has not been reached for that academic year or transfer out information is not yet available.

Please direct any questions about the data to the Department of Institutional Research & Effectiveness at research@redlandscc.edu.
