# COVID-19 Response

As we enter the Fall semester, classes are being offered on campus and online. We are constantly monitoring the situation and remain in contact with local and state health officials. If at any time the situation changes, students will be notified via email and text alert. Please log into [my.Redlandsc.edu](http://my.Redlandsc.edu) to ensure that your contact information is up to date.

In our continuing efforts to provide a safe learning environment, we have rearranged our classrooms to accommodate physical distancing as outlined by the CDC and the Oklahoma State Department of Health, placed hand sanitizing stations throughout campus, disinfected classrooms, public spaces and the campus apartments.

To assist in these efforts, a mandatory mask requirement is in effect until further notice. The executive order mandating face coverings along with other updates and resources can be found on the college's website at [www.redlandsc.edu/covid-19-updates-and-resources](http://www.redlandsc.edu/covid-19-updates-and-resources). The guidelines established in the executive order will be enforced for the safety of everyone on our campus.

We must work together to provide the safest environment possible for our students and staff as we move forward through the current COVID-19 environment.

## Admissions and Advising

### Admissions and Advising Office

Admissions and Advising is a resource for assisting prospective students in making a smooth transition into programs at Redlands Community College, as well as assisting all students in realizing their potential. The Admissions and Advising staff assists students in planning an educational program, as well as helping them accomplish their educational goals. The Admissions and Advising Office is located in the Ray Porter Academic Complex.

### Academic Advising

Redlands Community College has created an advisement system to assist students in planning their academic program. Students meet with an advisor who will help in the preparation of each semester's class schedule and will provide information pertinent to the student's educational program. Enrollment may be completed as soon as schedules are available for each semester. A specific advisor is assigned to admit and counsel international students.

### Americans with Disabilities Act (ADA) and Section 504

The Americans with Disabilities Act (ADA) and Section 504 are federal anti-discrimination statutes that provide civil rights protection for persons with disabilities. Among other things, the legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, contact the Disability Support Services (DSS) office at [ada@redlandsc.edu](mailto:ada@redlandsc.edu) or call 405.262.1235.

In order to receive academic accommodations for a disability, the student must provide appropriate documentation of their disability to the DSS office. This information may be mailed, emailed, or hand-delivered. Students who have the information mailed or emailed must contact the DSS office to ask for accommodations before any will be provided. The DSS office is located in the Admissions and Advising Office, in the Ray Porter building, office SS005. [www.redlandsc.edu/accessibility](http://www.redlandsc.edu/accessibility).

### Academic Center for Enhancement

The Dr. Owen and Bess Jenkins Center for Academic Enhancement is located on the second floor of the A.R. Harrison Learning Resources Center, LRC 21-A. Services include walk-in peer and professional tutoring for reading, writing, math, science, business and other disciplines, online essay submissions, and specialty workshops.

Testing services include administering placement tests, Advanced Standing exams, the ACT, CLEP, DANTES, and other standardized tests, as well as course exams and make-up exams.

### **Career Services**

Redlands Community College is preparing students for lifelong learning by offering a variety of services to enhance the career planning and exploration process.

Redlands Community College has moved toward a Career Services model with extensive efforts to provide career awareness and opportunities to a wide variety of students, while developing meaningful internship and experiential learning experiences.

Employers, recruiters, and business and industry representatives may contact Career Services to post job announcements.

Students may contact Career Services for additional information. Career Services are offered under the Admissions and Advising umbrella.

# Academic Support Programs

SSS offers intensive academic advising and counseling, innovative instruction and tutorial support, and specially designed, skill-building workshops. Assistance in transferring to a four-year institution and opportunities for cultural enrichment also are available. Students interested in SSS should complete an application, available in S105A.

## The G.O.A.L.S. Program

G.O.A.L.S. is a special program designed to provide education, training, and supportive services to primarily single parents returning to school. The program provides a wide variety of services to assist students in achieving their academic and life goals. G.O.A.L.S. offers self-paced career certificates, GED assistance, college programs (applied sciences), support groups, and job placement assistance. Students must meet specific income guidelines. Contact the G.O.A.L.S. office at 405.422.6263 for more information.

## Veterans Upward Bound

VUB is a federally-funded student support services TRIO program that helps eligible veterans maximize their potential for success. VUB provides college preparation instructional services, tutoring, basic skills enhancement opportunities, and college entrance services at three centers: El Reno on the Redlands campus, Oklahoma City at the VA Medical Center and Lawton at the Oklahoma Works office. Eligible veterans must meet specific income guidelines as well as specific veteran's guidelines. ## Scholars for Excellence in Child Care

The SECC Program is a comprehensive scholarship program for child care providers. The SECC program ensures that eligible child care professionals in the state of Oklahoma have an opportunity to attend a two-year college to further their education while earning a Certificate of Mastery and/or an Associate Degree in Family Studies and Child Development.

Program participants are provided intensive academic advising and counseling, tutorial support, and academic mentoring by the program academic support coordinator.

This scholarship may pay a percentage of the recipient's book and tuition costs each semester. For eligibility requirements, contact the SECC office at 405.422.1286 or email [karen.huett@redlandsc.edu](mailto:karen.huett@redlandsc.edu).

# Financial Aid

Financial Aid at Redlands Community College is designed for qualified students who might not be able to continue their education without financial assistance. Eligible students may receive grants, loans, scholarships, student employment, or a combination of these programs. The College participates in the following Federal programs: Pell Grant, SEOG, Work Study, and Direct and Parent PLUS Loans. The Oklahoma State Regents for Higher Education administers all State programs.

Financial assistance is available to degree-seeking students and students who are seeking certain certificates of mastery from Redlands Community College. The following students are not eligible to receive Federal or State assistance: Students who are taking non-credit courses, students concurrently enrolled in college and high school courses, and students taking courses but not pursuing a degree or certificate.

To apply for Federal student aid, applicants must complete the Free Application for Federal Student Aid (FAFSA). This is a free process that must be completed each academic year. Students may apply online at [www.fafsa.gov](http://www.fafsa.gov) or by mailing a completed paper application to the U.S. Department of Education.

Although not required, the FAFSA application should be completed before December 1 each year in order to ensure a timely response and to meet state grant deadlines. Students who plan to rely on financial aid to take advantage of tuition, housing, and bookstore charge privileges must have all required documentation submitted to the Financial Aid Office accordingly: July 15 for Fall, December 1 for Spring, and May 1 for Summer. Students applying for financial aid after these priority deadlines will need to make alternative arrangements for tuition, housing, and bookstore charges until financial aid can be processed.

For more information, contact the Financial Aid Office at Redlands Community College at 405.422.6250 or visit our office on campus.

### **Financial Aid Eligibility**

To be considered for Federal and/or State financial aid you must:

- be a degree- or certificate-seeking student.
- be a citizen or an eligible non-citizen of the United States.
- have a valid Social Security number.
- register with Selective Service (if required).
- not be in default on a Federal Stafford, Direct, and/or a Perkins student loan.
- make Satisfactory Academic Progress (SAP) as explained below.
- have a high school diploma or GED.

### **Satisfactory Academic Progress (SAP)**

Satisfactory Academic Progress is defined as the successful continued progression toward the attainment of an educational degree or certificate. Academic progress is reviewed at the end of each semester to determine if students may continue to receive funds.

A student applying for assistance through the Federal Pell Grant, SEOG, Work Study, Direct Loan programs, along with some State programs like OK Promise (OHLAP), is required to meet three separate criteria to maintain financial aid eligibility at Redlands Community College. A brief description of the requirements is outlined below. Detailed information can be found on the College website at [my.redlandsccl.edu](http://my.redlandsccl.edu).

- Students must maintain a minimum cumulative GPA.
- Students are required to complete (pass) at least 67% of the overall credit hours they attempt.
- Students must complete the requirements for their degree within a maximum number of attempted credit hours.

Failure to meet these minimum academic standards will result in the loss of financial aid eligibility but may be reinstated based on an appeal process.

For a complete description of the Satisfactory Academic Progress Policy please visit the Redlands Community College website at [my.redlandsccl.edu](http://my.redlandsccl.edu).

### **Return of Title IV Aid - R2T4**

The Federal Government has set guidelines concerning students who receive Title IV Federal Student Aid and completely withdraw from school or stop attending their courses. Federal student aid recipients who don't successfully complete any of their attempted hours, or completely withdraw after classes begin, but prior to completing at least 60% of the semester, will have to repay a portion of the federal funds that they received. Redlands Community College is required to calculate the amount of "earned" and "unearned" aid that a student received or that was credited to the student's account. This calculation may require the student and/or the college, on the student's behalf, to immediately repay funds that were disbursed for the purpose of paying educational expenses. After the calculation is figured, the Financial Aid Office will notify the student regarding the amount of aid that must be returned to the Federal Government. Additionally, excessive withdrawals may have an adverse effect on a student's financial aid satisfactory academic progress, which will be evaluated at the end of each semester.

### **Grants**

## Pell Grants

Pell Grants are federal aid grants designed to provide financial assistance to qualified students attending post-high school educational institutions. Pell Grants are intended to be the “floor” of a financial aid package and may cover a significant portion of a student’s college expenses. The amount of the Pell Grant is determined by federal need analysis criteria. Students must complete the Free Application for Federal Student Aid (FAFSA) at <http://www.fafsa.gov>. Applications are available through high school counselors, public libraries, and college financial aid offices.

## Supplemental Educational Opportunity Grants - SEOG

SEOG is an additional federal aid program for students of exceptional financial need. Grants may range from \$200 to \$400 per year for students who qualify. Application is made by completing the FAFSA online. Earliest applicants with the greatest need are awarded first.

## Oklahoma Tuition Aid Grants - OTAG

This grant is awarded to Oklahoma residents with exceptional need, as demonstrated by the results of the Free Application for Federal Student Aid (FAFSA). The

State of Oklahoma mandates a new deadline each year depending on the availability of funding. It is our recommendation that you submit your FAFSA no later than December 1 in order to receive the best chance for eligibility. The student need only apply with the FAFSA and answer all questions thoroughly concerning state of legal residency. The Oklahoma Tuition Aid Grant Office determines award amounts and notifies the student and the college.

## Loans

### William D. Ford Direct Loan Program

The Direct Loan program allows students and parents to borrow money from the U.S. Department of Education. These loans are borrowed money which must be repaid after the student graduates, drops below halftime enrollment, or completely withdraws. Redlands Community College currently participates in the following:

#### 1. Federal Direct Loans for Students

Federal Direct Loans are available to students based on their expected family contribution (EFC), which is determined by the FAFSA. Other criterion includes cost of attendance, grade level, and other types of financial aid which the student receives. Depending on the eligibility limits, a student may receive a loan from one or both of the following:

- a. Subsidized – The U.S. Department of Education pays the interest while the student is enrolled on at least a halftime basis, or is in a grace period or on deferment.
- b. Unsubsidized – Interest accrues from the time the loan is disbursed to the student College account to the time it is paid in full.

#### 2. Federal Direct Loans for Parents of Dependent Undergraduate Students (PLUS)

The PLUS loan is for parents of dependent students who want to borrow more than the Student Direct loan limits. A parent may borrow up to the cost of attendance, provided it does not exceed the student’s unmet need. Unlike Student Direct loans, PLUS loans are subject to credit checks and approval by the U.S. Department of Education.

## Federal Work Study

Through the Federal Work Study Program, students can earn money by working part-time for various departments on campus. These part-time positions are funded through the program and require that students meet financial and need-based eligibility.

### **Additional Sources of Financial Assistance**

#### Bureau of Indian Education

The Bureau of Indian Education of the U.S. Department of Interior awards financial assistance to certain students of Indian descent who desire to obtain a college education. Students receiving such assistance must maintain a GPA of 2.0 on the 4.0 scale. For information contact: Bureau of Indian Education, Branch of Education, Cheyenne/Arapaho Tribes Higher Education, Cheyenne Arapaho Tribes, Box 38, Concho, OK 73022, or the appropriate tribal agency.

#### Vocational Rehab

Upon approval by a representative of the Vocational Rehabilitation Division of the State Board of Education, grants are made to students who have substantial employment disabilities and who are desirous of securing a college education. Contact the Department of Human Services in your area for further information.

#### Veterans' Services

Redlands Community College's associate degree and certificate programs of education and training are approved for payment of benefits by the Veterans Administration. Current VA education programs include the following:

- Chapter 33, Post 9/11 GI Bill®
- Chapter 30, Montgomery GI Bill®, active duty(MGIB)
- Chapter 1606, Montgomery GI Bill®, Selected Reserve (MGIB-SR)
- Chapter 35, Dependents Educational Assistance Program (DEA)
- Chapter 31, Vocational Rehabilitation & Employment (VR&E)

In order to maintain eligibility for Montgomery GI Bill® benefits, students must be actively pursuing the degree program for which they have been certified. Assistance with Montgomery GI Bill® processing is available at the Registrar's Office.

VA beneficiaries' certifications will be updated to the VA to reflect accurate enrollment status. Change in enrollment may cause a debt to the VA if they drop, withdraw, or are administratively withdrawn. Academic probation and suspension are reviewed at the end of each semester. Academic probation and suspension are reported to the VA. Benefits will not be affected during probation. If a student is suspended, their enrollment certification will be terminated with the VA and they will not be allowed to re-enroll for one full semester. This may also cause the beneficiary to be in debt to the VA. VA beneficiaries that have excessive absences in their courses may be administratively withdrawn at the discretion of their instructor. This will also be reported to the VA and may cause a debt to the VA for the beneficiary. This can occur anytime during the semester up until the last day to withdraw from classes.

Students receiving VA benefits and financial aid are held to the same satisfactory progress standards as any student attending Redlands Community College. Please see Satisfactory Academic Progress for more information. If a student is receiving Post-9/11 GI Bill® benefits and are issued a refund due to change in enrollment, the school will hold the money until a debt letter has been received and then will return funds directly to the VA. All other VA beneficiaries will be issued a refund directly to them and therefore will be responsible for contacting the VA Debt Management Center at 800.827.0648 to resolve any possible overpayment.

Additional veterans' services are also available with the Veterans Upward Bound (VUB) office located in S-104E of the Ray Porter Building. VUB is a free postsecondary education assistance program funded by the U.S. Department of Education and designed to meet the unique circumstances of veterans and current military service members by providing them a one-stop location for all their educational needs. The VUB office can be reached at 405.422.1451.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website [www.benefits.va.gov/gibill](http://www.benefits.va.gov/gibill).

#### **Military Leave of Absence**

A student who is a member of the active uniformed military services of the United States and called to active duty shall be eligible to withdraw from any or all courses for the period of active duty service without penalty to admission status or GPA and without loss of institutional financial aid or receive an "I" for any or all courses for the period of active duty status irrespective of the student's grade at the time the "I" is awarded; provided, however, that the student has completed a minimum of fifty percent of all coursework prior to being called to active duty and the student completes all courses upon return from active duty. The student's admission status and GPA shall not be penalized and the student shall not experience loss of institutional financial aid.

#### **Aid Disbursement**

Any grant, loan, or scholarship money (refunds will be minus any bookstore charges, housing, and tuition) will be applied to your Business Office account (disbursed) after roster certifications in the fall/spring/summer semesters has concluded. No money will be disbursed prior to the first day of class for the semester.

- Copying from another student’s test, quiz, assignment, or lab work
- Allowing another student to copy your work
- Using an electronic device to access or share information during a test or quiz
- Obtaining or providing unapproved copies of tests or quizzes (or test/quiz questions)
- Tampering with experimental data or creating data for experiments not performed or conducted

In instances when a student has been directed to leave the College premises, a meeting to review the matter shall be scheduled by the Investigating Officer as set forth in this Student Conduct Code.

#### **Notice of Allegations and Initial Conference**

The student against whom the official complaint has been filed shall be given written notification, which will be sent to his/her official student e-mail account, or by certified letter that a complaint has been filed and shall also be given at the same time:

- A copy of the complaint's substantive allegations, including the name of the complaining party, except where concerns of personal safety are involved. - Written notification of the specific Student Conduct Code violation(s) alleged to have been committed.
- Written notification of the time, date and place where the student will be given the opportunity to respond to the Investigating Officer regarding the allegations contained in the complaint.

- The possible sanctions that can be imposed.

Notification of the outcome of the hearing will be sent to the student's official student e-mail account or by certified letter within ten (10) college business days.

In order for a student to be found responsible, the information must support a determination that it is more likely than not, or by preponderance of the evidence, that a violation of the Student Conduct Code occurred. Hearsay evidence may be considered but will be weighed accordingly.

In cases of repeated violations of the Student Conduct Code, the Investigating Officer may consider the student's disciplinary history and impose increasingly punitive sanctions.

## **Sanctions**

**Written Warning:** An official written notice that the student has violated college policies and that a more severe disciplinary action will result should the student be involved in other violations while the student is enrolled at the College.

**No Contact Order:** An absolute prohibition from contact with specified person or persons in any form whatsoever, including, but not limited to, contact in person, by phone, electronically, or through another person. A No Contact Order may be implemented as an interim measure for issues regarding sexual violence or other Title IX issues. Violating a No Contact Order may result in suspension from the College.

Probation: A specified period of time during which the student is placed on formal notice that he/she is not in good standing with the College and that further violations of College regulations could subject him/her to suspension or expulsion from the College.

Suspension: The exclusion from enrollment in classes and other privileges or activities for a definite period of time not to exceed five (5) years and until conditions which are set forth in the hearing outcome letter are met. Students who are suspended from the College are not permitted on campus or campus housing at any time for any reason during the period of suspension, unless otherwise permitted by the Investigating Officer. Notation on the transcript is not made; however a record of the action is maintained in the student's record in the Registrar's Office. Any refund of tuition or fees will be subject to the College's normal withdrawal policy.

Expulsion: Expulsion is when a student is ordered to be removed as a student of the College on an immediate and permanent basis. When a student is expelled, record of this action will be made a part of the student's permanent record and will be noted on the student's transcript. A student who is expelled will not be allowed to re-enroll at the College.

On appeal, the Student Conduct Committee cannot recommend sanctions other than suspension or expulsion to replace an original sanction of suspension or expulsion unless the recommendation is unanimous or the Student Conduct Committee finds that the student did not commit the associated violation.

## **Appeals**

When disciplinary sanctions are imposed, the student may appeal the decision. The Student Conduct Committee shall review appeals for any and all sanctions including suspension or expulsion. If an appeal is filed, the student may at the same time request that the Chief Discipline Officer delay the imposition of the disciplinary sanctions until final resolution of the appeal. Students may be contacted by the Chief Discipline Officer if additional information is needed during the appeal process.

If the student fails to submit the appeal on the approved form or does not follow the submission procedures outlined in the sanction notification letter within this five (5) day time period, the student may lose all rights to appeal the determination.

The hearing to consider the appeal of the student will be set at a date not more than fifteen (15) college business days from the date of the formation of the Committee.

### **Evidence**

Strict conformity to courtroom rules of evidence is not required in the hearing conducted by the Committee. If the grievance is not resolved at this level, the student may submit the grievance to the individual at the next level of administration above the immediate supervisor. Students, employees, and visitors who are subject to or who witnesses unwelcome conduct of a sexual nature are encouraged to report the incident(s).
  1. Hostile Environment Sexual Harassment includes conduct that is sufficiently severe, pervasive, or persistent, objectively and subjectively offensive that it alters the conditions of education or employment or institutional benefits of a reasonable person with the same characteristics of the victim of the harassing conduct. Whether conduct is harassing is based upon examining a totality of circumstances, including but not limited to:
    - a. the frequency of the conduct;
    - b. the nature and severity of the conduct;
    - c. whether the conduct was physically threatening;
    - d. whether the conduct was deliberate, repeated humiliation based upon sex;
    - e. the effect of the conduct on the alleged victim's mental or emotional state from the perspective of a reasonable person;
    - f. whether the conduct was directed at more than one person;
    - g. whether the conduct arose in the context of other discriminatory conduct;
    - h. continued or repeated verbal abuse of a sexual nature, such as gratuitous suggestive comments and sexually explicit jokes; and
    - i. whether the speech or conduct deserves constitutional protections.
  2. Quid Pro Quo Sexual Harassment exists when individuals in positions of authority over the complainant:
    - a. make unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature; and
    - b. indicate, explicitly or implicitly, that failure to submit to or the rejection of such conduct will result in adverse educational or employment action or where participation in an educational program or institutional activity or benefit is conditioned upon the complainant's submission to such activity.
- C. Retaliation is any attempt to penalize or take an adverse employment, educational or institutional benefit action, including but not limited to making threats, intimidation, reprisals or other adverse action, against a person because of participation in a complaint or the investigation of discrimination, sexual harassment, or sexual misconduct.
  1. Redlands Community College prohibits retaliation, intimidation, threats, coercion, or discrimination against any person for opposing discrimination, including harassment, or for participating in the College's discrimination complaint process or making a complaint, testifying, assisting, or participating in any manner, in an investigation, proceeding, or hearing. Retaliation is a form of discrimination.
  2. Redlands Community College will take immediate steps to stop retaliation and prevent its recurrence against the alleged victim and any person associated with the alleged victim. These steps will include, but are not limited to, notifying students, employees, and others, that they are protected from retaliation, ensuring that they know how

to report future complaints, and initiating follow-up contact with the complainant too determine if any additional acts of discrimination, harassment, or retaliation have occurred. If retaliation occurs, the College will take prompt responsive action, including possible discipline, including disenrollment or termination, if applicable.

- D. Sexual Violence means physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent. A number of acts fall into the category of sexual violence, including rape, sexual assault, sexual battery, sexual misconduct, and sexual coercion.
1. Non-Consensual Sexual Intercourse is defined as any sexual intercourse (forcible or non-forcible sexual intercourse) or penetration of the anal, oral, vaginal, genital opening of the victim, including sexual intercourse or penetration by any part of a person's body or by the use of an object, however slight, by one person to another without consent or against the victim's will. This definition includes rape and sexual assault, sexual misconduct, and sexual violence.
  2. Non-Consensual Sexual Contact is any intentional touching, however slight, whether clothed or unclothed, of the victim's intimate body parts (primarily genital area, groin, inner thigh, buttock or breast) with any object or body part, without consent and/or by force. It also includes the touching of any part of a victim's body using the perpetrator's genitalia and/or forcing the victim to touch the intimate areas of the perpetrator or any contact in a sexual manner even if not involving contact of or by breasts, buttocks, groin, genitals, mouth or other orifice. This definition includes sexual battery and sexual misconduct.
  3. Sexual Coercion is the act of using pressure (including physical pressure, verbal pressure or emotional pressure), alcohol, medications, drugs, or force to have sexual contact against someone's will or with someone who has already refused. This includes rape, sexual assault, sexual exploitation and sexual misconduct.
- E. Sexual Exploitation occurs when a person takes non-consensual, unjust or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior may not otherwise constitute one of the other sexual misconduct offenses. Examples of sexual exploitation include, but are not limited to:
1. Non-consensual video or audio-taping of any form of sexual activity;
  2. Going beyond the boundaries of consent (such as letting a person or people hide in the closet to watch you having consensual sex without your partner's knowledge or consent);
  3. Sexually-based stalking or bullying;
  4. Engaging in non-consensual voyeurism, such as observing sexual acts or body parts of another from a secret vantage point;
  5. Knowingly transmitting a sexually transmitted disease or illness to another;
  6. Exposing one's genitals in a non-consensual circumstance, or inducing another to expose his or her genitals;
  7. Prostituting another person;
  8. Other forms of invasion of sexual privacy.
- F. Other Misconduct
1. Other forms of misconduct based on one's gender also constitute violations of this policy including: threatening or causing physical harm, extreme verbal abuse, or other conduct which threatens or endangers the health or safety of any person;
  2. Discrimination, defined as actions that deprive other members of the community of educational or employment access, benefits or opportunities on the basis of gender;
  3. Harassment, defined as unwelcome and discriminatory speech or conduct undertaken because of an individual's gender or that is sexual in nature that has the systematic effect of unreasonably interfering with or depriving someone of educational, institutional, or employment access, benefits, activities, or opportunities;
  4. Gender-based intimidation, defined as implied threats or acts that cause an unreasonable fear of harm in another;
  5. Gender-based hazing, defined as acts likely to cause physical or psychological harm or social ostracism to any person within the College community, when related to the admission, initiation, pledging, joining or other group-affiliation activity.
  6. Gender-based bullying, defined as repeated and/or severe aggressive behavior likely to intimidate or intentionally hurt, control or diminish another person, physically or mentally (that is not speech or conduct otherwise protected by the First Amendment);
  7. Violence, including assault, battery or other physical abuse between those in an intimate or dating or romantic relationship with each other.

- a. Dating violence is violence between individuals in the following circumstances:
    - i. The party is or has been in a social relationship of a romantic or intimate nature with the victim; and
    - ii. The existence of such a relationship shall be determined based on a consideration of the following factors:
      - Length of the relationship
      - Type of relationship
      - Frequency of interaction between the persons involved in the relationship.
  - b. Domestic Violence under Redlands Community College policy means violence committed by a:

    - v. Any other person against an adult or your victim who is protected from that person's acts under Oklahoma domestic or family violence laws.
8. Stalking, defined as repetitive and/or menacing pursuit, following, harassment and/or interference with the peace and/or safety of a member of the community or the safety of any of the immediate family members of the community.
- G. Consent is the act of willingly agreeing to engage in sexual contact or conduct. Individuals who consent to sex must be able to understand what they are doing. Under this policy, "No" always means "No", and the absence of "No" may not mean "Yes".
1. Consent is informed, knowing, and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable permission regarding the conditions of sexual activity.
  2. Consent to one form of sexual activity cannot imply consent to other forms of sexual activity.
  3. Previous relationships or consent does not imply consent to future sexual acts.
  4. Consent cannot be procured by use of physical force, compelling threats, intimidating behavior, or coercion. Coercion is unreasonable pressure for sexual activity.
  5. In order to give effective consent, one must be of legal age and have the capacity to consent. Incapacity may result from mental disability, intellectual disability, unconsciousness/sleep, age, or use of alcohol, drugs, medication, and/or other substances. Consent given by someone who one should know to be, or based on the circumstances, reasonably should have known to be, mentally or physically incapacitated, is a policy violation. Incapacitation is a state where someone cannot make rational, reasonable decisions because he or she lacks capacity to give knowing consent (e.g. to understand the "who, what, when, where, why or how" of their sexual interaction. Incapacity may result from a level of alcohol ingestion that is more severe than impairment, being under the influence, drunkenness or intoxication. It is less severe than alcohol poisoning or overdose. Whether a person is a subjective determination that will be made after the incident and in light of all facts available. Individuals reach incapacitation at different points and as a result of different stimuli [and] exhibit incapacity in different ways. Note, that indications of consent are irrelevant if the initiator knows or should reasonably have known of the incapacity of the other person. Examples of when a person should know the other is incapacitated include, but are not limited to:
    - a. the amount of alcohol, medication or drugs consumed, or
    - b. imbalance or stumbling, or
    - c. slurred speech, or
    - d. lack of consciousness or inability to control bodily functions or movements, or
    - e. vomiting.
  6. Use of alcohol, medications, or other drugs will not excuse behavior that violates this policy.

Additionally, attorneys, clergy members, licensed counselors, or physicians who are engaged in such capacity may keep such reports confidential.

Supervisors, managers, and faculty members with administrative duties or student supervisory duties are responsible for taking all appropriate action to prevent sexual misconduct, discrimination, and harassment, to correct it when it occurs, and *must* promptly report it to the following or other appropriate College official.

- summer programs
- fitness for life program

Should you have a reasonable suspicion of any abuse or neglect of a minor while on College property, or where the minor is in your care at a College-related event, but the abuse may have occurred off-campus, irrespective of whether you are a mandatory reporter for Title IX purposes, you have an independent obligation under Oklahoma state law to notify the Oklahoma Department of Human Services immediately (1.800.522.3511) and local law enforcement (911 or 405.262.2121) and/or Redlands Community College Security (405.422.6200). The College has designated two individuals as Title IX Investigators to conduct the investigations regarding Title IX issues. The Title IX Coordinator will designate which Investigator, male versus female, should conduct the investigation. The Title IX Investigators will report to the Title IX Coordinator.

### **503.2:5 Investigation of Complaints**

Once the College receives a grievance, complaint or report alleging sexual misconduct, or becomes aware of possible harassing conduct, the Investigator assigned will conduct a prompt, adequate, thorough, and impartial investigation to determine whether unlawful sexual harassment occurred. If necessary, the College will take immediate, interim action or measures to protect the alleged victim and prevent further potential harassment during the pending investigation. The alleged victim will be notified of his or her options to avoid contact with the alleged harasser, such as changing a class or prohibiting the alleged harasser from having any contact with the alleged victim pending the result of the College's investigation. The College will minimize any burden on the alleged victim when taking interim measures to protect the alleged victim.

The College will investigate all complaints of sexual misconduct, even if an outside entity or law enforcement agency is investigating a complaint involving the same facts and allegations. The College will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by this complaint procedure. If the allegations(s) involve possible criminal conduct, the College will notify the complainant of his or her right to file a criminal complaint, and College employees will not dissuade the complainant from filing a criminal complaint either during or after the College's investigation.

The College will complete its investigation within ten (10) business days after receiving a complaint or report, unless extenuating circumstances exist. Extenuating circumstances may include the unavailability of witnesses due to illness or incapacitation, or additional time needed because of the complexity of the investigation, the need for outside experts to evaluate the evidence (such as forensic evidence), or multiple complainants or victims. Extenuating circumstances do not include summer vacation, and if a coordinator or designated investigator is unavailable, another investigator will be designated to conduct the investigation. If extenuating circumstances exist, the extended timeframe to complete the investigation will not exceed ten (10) additional business days, without the consent of the complainant. Periodic status updates will be given to the parties, if necessary.

The College's investigation will include, but is not limited to:

- A. Providing the parties with the opportunity to present witnesses and provide evidence.
- B. An evaluation of all relevant information and documentation relating to the alleged discriminatory conduct,
- C. Some of the factors the College will consider include:
  - 1. The nature of the conduct and whether the conduct was unwelcome,
  - 2. The surrounding circumstances, expectations, and relationships,
  - 3. The degree to which the conduct affected one or more students' education,
  - 4. The type, frequency, and duration of the conduct,
  - 5. The identity of and relationship between the alleged harasser and the subject or subjects of the harassment,
  - 6. The number of individuals involved,
  - 7. The age and sex of the alleged harasser and the alleged victim(s) of the harassment,
  - 8. The location of the incidents and the context in which they occurred,

9. The totality of the circumstances, and
10. Other relevant evidence.

D. A review of the evidence using a “preponderance of the evidence” standard.

The coordinator (or designated investigator) will complete an investigative report, which will include:

- A. A summary of the facts,
- B. An analysis of the appropriate legal standards applied to the specific facts,
- C. Findings regarding whether harassment occurred, and
- D. If a finding is made that harassment occurred, the recommended remedy or remedies necessary to eliminate harassment, prevent its recurrence, and remedy its effects, if applicable.

Once the Title IX Investigator has conducted the investigation, the Title IX Coordinator will review and sign the investigative report, unless the Title IX Coordinator is the subject of the complaint. The report will then be transferred to the hearing panel where a decision on disciplinary actions will be made. The College will ensure that prompt, appropriate, and effective remedies are provided if a finding of sexual misconduct is made (see the Remedies section, below, for additional information about remedies). The College will maintain relevant documentation obtained during the investigation and documentation supportive of the findings and any subsequent determinations, including the investigative report, witness statements, interview summaries, and any transcripts or audio recordings, pertaining to the investigative and appeal proceedings.

### **503.2:6 Determination/Appeal**

The person investigating the complaint will issue a written determination as to the validity of the complaint and a description of the resolution, if any. A copy of the determination and any resolution will be provided to the parties within ten (10) business days after completion of the investigation. If dissatisfied with the determination or any resolution, a complainant may appeal the determination to the Title IX Coordinator, Executive Vice President of Campus Administration and Finance, or the College President.

### **503.2:7 Remedies**

The right of a person to prompt and equitable resolution of complaints filed under this procedure will not be impaired by the person's pursuit of other available remedies such as filing complaints with responsible outside agencies or departments. Filing a complaint under this procedure is not a prerequisite to the pursuit of such other remedies.

If the College knows or reasonably should know about possible discrimination, retaliation, or harassment, the College will take immediate, interim action or measures to protect the alleged victim, ensure the safety of the school community, and prevent further potential discrimination, harassment, or retaliation during the College's pending investigation. These interim measures will be prompt, effective, and tailored to the specific situation, and may include a change in the student's seating assignment or class, a change in an employee's work area, prohibiting the alleged harasser from having any contact with the alleged victim pending the result of the College's investigation, and other remedies, such as those listed below.

The College will minimize any burden on the alleged victim when taking interim measures. For instance, the College generally will not remove the alleged victim from his or her class or work area and allow the alleged harasser to remain. In addition the College will ensure that the complainant is aware of his or her rights, including a strong prohibition against retaliation for reporting discrimination or harassment or cooperating with any investigation or proceeding, and any available resources, such as counseling, health, and mental health services, and the right to file a complaint with local law enforcement, if applicable.

If the College determines that unlawful discrimination or harassment occurred, the College will take prompt and effective action to eliminate the discrimination or harassment, prevent its recurrence, and remedy its effects on the complainant and others, if appropriate. The remedies will be tailored to the specific allegations and facts of each situation, including, but not limited to, the following remedies:

- A. Providing an escort to ensure the complainant can move safely between classes and activities.
- B. Ensuring the complainant and alleged harasser do not attend the same classes.

- C. Providing resources for counseling services.
- D. Providing resources for medical services.
- E. Providing academic support services, such as tutoring.
- F. Arranging for the complainant to re-take a course or withdraw from a course without penalty, including ensuring that any changes do not adversely affect the complainant's academic record.

The College may provide remedies for the broader population as well, including but not limited to:

- A. Providing additional training to the College's designated compliance coordinator and other employees who are involved in addressing, investigating, or resolving complaints of discrimination, harassment, and retaliation, to better respond to specific types of harassment and violence.
- B. Informing students and employees of their options to notify proper law enforcement authorities, including school and local police, and the option to be assisted by College employees in notifying those authorities.
- C. Creating a committee of students or employees and College officials to identify strategies for ensuring that students and employees:
  - 1. Know the College's prohibition against discrimination, harassment, and retaliation.
  - 2. Recognize acts of discrimination, harassment (including acts of violence), and retaliation when they occur.
  - 3. Understand how and to whom to report any incidents of discrimination.
  - 4. Know the connection between alcohol and drug abuse and harassment or violence based on sex or other protected characteristics.
  - 5. Feel comfortable that College officials will respond promptly and equitably to reports of discrimination, harassment (including violence) and retaliation.
- F. Conducting periodic assessments of student or employee activities to ensure that the practices and behavior of students or employees do not violate the College's policies against anti-discrimination, anti-harassment, and anti-retaliation.
- G. Conducting, in conjunction with students or employees, a "climate check" to assess the effectiveness of efforts to ensure that the College is free from discrimination, harassment (including violence), and retaliation, and using the resulting information to inform future proactive steps that will be taken by the College.

In addition to these remedies, the College may impose disciplinary sanctions against the student or employee who harassed the complainant, that include, but are not limited to:

- Students – Warning, probation, loss of privileges, counseling, no contact, housing relocation, suspension, expulsion, limited campus access, service hours, online education, parental notification, alcohol and drug assessment, college suspension or expulsion.
- Employees – Verbal or written warning, performance improvement/management process, training, counseling, loss of privileges, reduction in pay, loss of supervisory responsibilities, paid or unpaid leave, suspension or termination

### **503.2:8 Confidentiality**

The identity of the complainant will be kept confidential, to the extent permitted by state and federal law. The College will notify the complainant of the anti-retaliation provisions of applicable laws and that the College will take steps to prevent retaliation and will take prompt and strong responsive actions if retaliation occurs.

### **503.2:9 Intentionally False Reports**

Individuals who make reports that are later found to have been intentionally false or made maliciously without regard for truth may be subject to disciplinary action up to and including termination and expulsion. This provision does not apply to reports made in good faith, even if the facts alleged in the report cannot be substantiated by an investigation.

### **503.2:10 Free Speech and Academic Freedom**

Members of the College community enjoy significant free speech protections guaranteed by the First Amendment of the United States Constitution. This process is intended to protect members of the College community from discrimination and is not designed to regulate protected speech. No provision of this policy shall be interpreted to prohibit conduct that is legitimately related to course content, teaching methods, scholarship, or public commentary of an individual faculty member or the educational, political, artistic or literary expression of students in classrooms and public forums. However,

freedom of speech and academic freedom are not limitless and do not protect speech or expressive conduct that violates federal or state anti-discrimination laws.

### **503.2:11 Bystander Intervention**

If you witness a policy violation, or behaviors that may lead to a policy violation, there are a variety of things you can do as a bystander:

- A. Divert the intended victim (e.g. “help me out of here; I don’t feel well”).
- B. Distract the perpetrator (e.g. “looks like your car is being towed”).
- C. Confront the perpetrator (e.g. “don’t speak to him/her in that manner; you are going to get yourself into trouble”).
- D. Call for law enforcement assistance.
  - 1. Emergencies – 911
  - 2. Non-emergencies – 405.262.2121

### **503.2:12 Title IX Mission Statement**

The mission of the Institutional Equity and Title IX Office is to fulfill its commitment to protect all persons who participate or work in Redlands Community College programs and activities from discrimination or harassment based upon their gender as outlined in Title IX of the Educational Amendments of 1975 to the 1964 Civil Rights Act that states: “No persons shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupation training, or other education program or activity receiving federal financial assistance or operated by Redlands Community College.”. Redlands Community College prohibits any type of gender equity discrimination.

Retaliation is a form of discrimination.

The College will take immediate steps to stop retaliation and prevent its recurrence against the alleged victim and any person associated with the alleged victim. If harassment or violence that occurs off school property creates a hostile environment at school, the College will follow this policy and grievance procedure.

All College employees are expected to take prompt and appropriate actions to report and prevent discrimination, harassment, and retaliation by others. Employees who witness or become aware of possible discrimination, harassment, or retaliation, must immediately report the conduct to his or her supervisor or the compliance coordinator designated to handle complaints of discrimination (designated compliance officer).

### **510.5:2 Investigation**

College employees, supervisors, or administrators must immediately report any complaints, reports, observations, or other information of alleged discrimination, retaliation, or harassment, to the designated compliance coordinator, even if that College employee is investigating the alleged discrimination as part of the College's student or employee disciplinary process, and provide the complainant with information for filing a complaint of discrimination, including a complaint form if requested, and contact information for the College's designated compliance coordinator. If the College uses its disciplinary procedures to investigate and resolve an alleged discrimination complaint, those disciplinary procedures will comply with the College's standards for a prompt and equitable complaint procedure. Other individuals may report alleged discrimination to the designated coordinator.

Once the College receives a grievance, complaint or report alleging discrimination, harassment, or retaliation, or becomes aware of possible discriminatory conduct, the College will conduct a prompt, adequate, thorough, and impartial investigation to determine whether unlawful discrimination, retaliation, or harassment occurred. If necessary, the College will take immediate, interim action or measures to protect the alleged victim and prevent further potential discrimination, harassment, or retaliation during the pending investigation. The alleged victim will be notified of his or her options to avoid contact with any alleged harasser, such as changing a class or prohibiting the alleged harasser from having any contact with the alleged victim pending the result of the College's investigation. The College will minimize any burden on the alleged victim when taking interim measures to protect the alleged victim.

The College will investigate all complaints of discrimination, even if an outside entity or law enforcement agency is investigating a complaint involving the same facts and allegations. The College will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by this complaint procedure. If the allegation(s) involve possible criminal conduct, the College will notify the complainant of his or her right to file a criminal complaint, and College employees will not dissuade the complainant from filing a criminal complaint either during or after the College's investigation.

The College will complete its investigation within ten (10) business days after receiving a complaint or report, unless extenuating circumstances exist. Extenuating circumstances may include the unavailability of witnesses due to illness or incapacitation, or additional time needed because of the complexity of the investigation, the need for outside experts to evaluate the evidence (such as forensic evidence), or multiple complainants or victims. Extenuating circumstances do not include summer vacation, and if a designated compliance coordinator or investigator is unavailable, another coordinator or trained employee will be designated to conduct the investigation. If extenuating circumstances exist, the extended timeframe to complete the investigation will not exceed ten (10) additional business days, without the consent of the complainant. Periodic status updates will be given to the parties, if necessary.

The College's investigation will include, but is not limited to:

- A. Providing the parties with the opportunity to present witnesses and provide evidence.
- B. An evaluation of all relevant information and documentation relating to the alleged discriminatory conduct.
- C. For allegations involving harassment, some of the factors the College will consider include:
  - 1. the nature of the conduct and whether the conduct was unwelcome,
  - 2. the surrounding circumstances, expectations, and relationships,
  - 3. the degree to which the conduct affected one or more students' education,
  - 4. the type, frequency, and duration of the conduct,

5. the identity of and relationship between the alleged harasser and the subject or subjects of the harassment,
  6. the number of individuals involved,
  7. the age (and sex, if applicable) of the alleged harasser and the alleged victim(s) of the harassment,
  8. the location of the incidents and the context in which they occurred,
  9. the totality of the circumstances, and
  10. other relevant evidence.
- D. A review of the evidence using a “preponderance of the evidence” standard (based on the evidence, is it more likely than not that discrimination, harassment, or retaliation occurred?)

The designated compliance coordinator (or designated investigator) will complete an investigative report, which will include:

- A. A summary of the facts,
- B. An analysis of the appropriate legal standards applied to the specific facts,
- C. Findings regarding whether discrimination occurred, and
- D. If a finding is made that discrimination occurred, the recommended remedy or remedies necessary to eliminate discrimination, including harassment and retaliation, prevent its recurrence, and remedy its effects, if applicable.

If someone other than the designated compliance coordinator conducted the investigation, the compliance coordinator will review, approve, and sign the investigative report, unless the compliance coordinator is the subject of the complaint. The College will ensure that prompt, appropriate, and effective remedies are provided if a finding of discrimination, harassment, or retaliation is made (see the Remedies section, below, for additional information about remedies). The College will maintain relevant documentation obtained during the investigation and documentation supportive of the findings and any subsequent determinations, including the investigative report, witness statements, interview summaries, and any transcripts or audio recordings, pertaining to the investigative and appeal proceedings.

### **510.5:3 Determination**

The person investigating the complaint will issue a written determination as to the validity of the complaint and a description of the resolution, if any. A copy of the determination and any resolution will be provided to the parties within ten (10) business days after completion of the investigation. If dissatisfied with the determination or any resolution, a complainant may appeal the determination to the Executive Vice President of Campus Administration and Finance, or the College President, if the Executive Vice President of Campus Administration and Finance issued the original determination or any resolution.

### **510.5:4 Appeal**

A determination and any resolution originally issued by the Compliance Officer may be appealed to the Executive Vice President of Campus Administration and Finance. A determination and any resolution originally issued by the Vice President may be appealed to the College President, who may be contacted at:

President’s Office  
Redlands Community College  
1300 South Country Club Road  
El Reno, Oklahoma 73036-5304  
405.422.1258  
Email: [President@redlandsc.edu](mailto:President@redlandsc.edu)

To appeal, a Notice of Appeal should be filed in writing within ten (10) business days after the complainant’s receipt of the original determination and any resolution. The complaint, determination, and any resolution, and any other relevant documentation, should be submitted with the Notice of Appeal. On receiving the Notice of Appeal, the Vice President or President will review the documentation, conduct any additional investigation necessary, and issue a written decision within ten (10) business days after receiving the Notice of Appeal or after completion of any investigation. The decision on the appeal may affirm, reverse, or modify the original determination and resolution.

### **510.5:5 Remedies**

The right of a person to prompt and equitable resolution of complaints filed under this procedure will not be impaired by the person's pursuit of other available remedies such as filing complaints with responsible outside agencies or departments. Filing a complaint under this procedure is not a prerequisite to the pursuit of such other remedies.

If the College knows or reasonably should know about possible discrimination, retaliation, or harassment, the College will take immediate, interim action or measures to protect the alleged victim, ensure the safety of the school community, and prevent further potential discrimination, harassment, or retaliation during the College's pending investigation. These interim measures will be prompt, effective, and tailored to the specific situation, and may include a change in the student's seating assignment or class, a change in an employee's work area, prohibiting the alleged harasser from having any contact with the alleged victim pending the result of the College's investigation, and other remedies, such as those listed below.

The College will minimize any burden on the alleged victim when taking interim measures. For instance, the College generally will not remove the alleged victim from his or her class or work area and allow the alleged harasser to remain. In addition the College will ensure that the complainant is aware of his or her rights, including a strong prohibition against retaliation for reporting discrimination or harassment or cooperating with any investigation or proceeding, and any available resources, such as counseling, health, and mental health services, and the right to file a complaint with local law enforcement, if applicable.

If the College determines that unlawful discrimination or harassment occurred, the College will take prompt and effective action to eliminate the discrimination or harassment, prevent its recurrence, and remedy its effects on the complainant and others, if appropriate. The remedies will be tailored to the specific allegations and facts of each situation, including, but not limited to, the following remedies:

- A. Providing an escort to ensure the complainant can move safely between classes and activities.
- B. Ensuring the complainant and alleged harasser do not attend the same classes.
- C. Providing counseling services.
- D. Providing medical services.
- E. Providing academic support services, such as tutoring
- F. Arranging for the complainant to re-take a course or withdraw from a course without penalty, including ensuring that any changes do not adversely affect the complainant's academic record.

The College may provide remedies for the broader student population as well, including but not limited to:

- A. Designating an individual from the College's counseling center to be "on call" to assist victims of harassment or violence whenever needed.
- B. Providing additional training to the College's designated compliance coordinators and other employees who are involved in addressing, investigating, or resolving complaints of discrimination, harassment, and retaliation, to better respond to specific types of harassment and violence.
- C. Informing students and employees of their options to notify proper law enforcement authorities, including school and local police, and the option to be assisted by College employees in notifying those authorities.
- D. Creating a committee of students or employees and College officials to identify strategies for ensuring that students and employees:
  - 1. Know the College's prohibition against discrimination, harassment, and retaliation.
  - 2. Recognize acts of discrimination, harassment (including acts of violence), and retaliation when they occur.
  - 3. Understand how and to whom to report any incidents of discrimination.
  - 4. Know the connection between alcohol and drug abuse and harassment or violence based on sex or other protected characteristics.
  - 5. Feel comfortable that College officials will respond promptly and equitably to reports of discrimination, harassment (including violence), and retaliation.
  - 6. Conducting periodic assessments of student or employee activities to ensure that the practices and behavior of students or employees do not violate the College's policies against anti-discrimination, anti-harassment, and anti-retaliation.

7. Conducting, in conjunction with students or employees, a “climate check” to assess the effectiveness of efforts to ensure that the College is free from discrimination, harassment (including violence), and retaliation, and using the resulting information to inform future proactive steps that will be taken by the College.

In addition to these remedies, the College may impose disciplinary sanctions against the student or employee who discriminated, harassed, or retaliated against the complainant, including possible expulsion or termination.

#### **510.5:6 Confidentiality**

The identity of the complainant will be kept confidential, to the extent permitted by state and federal law. The College will notify the complainant of the anti-retaliation provisions of applicable laws and that the College will take steps to prevent retaliation and will take prompt and strong responsive actions if retaliation occurs.

The management of the Technology Department shall review the access requirements on an individual basis and provide an Account using industry standard least user access privileges needed to fulfill the contract obligations.

### Procedure for Suspension or Revocation of Privileges

Any time the College President has reason to believe grounds for suspension or revocation of a user's privileges exist, the President, or his or her designee, is authorized to suspend the user's privileges, without prior notice. Any such suspension will be followed by notice of the suspension to the user and by a determination of whether the user's privileges should be revoked. If access and use privileges are revoked, the affected user will be notified. If reinstatement of privileges is possible, the affected user will be notified of the conditions and requirements for reinstatement.

### Standards and Conditions of Use

The following standards and conditions of use are applicable to all users of the REN, as defined in the Acceptable Use of Redlands Enterprise Network Policy.

## Drug-Free Schools and Communities Act

### Statement of Policy

The basic intent of the Drug-Free Policy is to insure that Redlands Community College will maintain a drug-free environment.

### Compliance

Redlands Community College will comply in spirit, as well as in fact, to the Drug-Free Schools and Communities Act Amendments of 1989.

### Policies to Prevent Abuse

Redlands Community College recognizes its responsibility as an educational and public service institution to promote a healthy and productive environment. This responsibility demands an implementation of programs and services which facilitate that effort. The College is committed to a program to prevent the abuse of alcohol and the illegal use of drugs and alcohol by its students and employees. The College program includes this policy which prohibits illegal use of drugs and alcohol in the workplace, on College property, or as part of any College-sponsored activities. In order to meet these responsibilities, College policy:

1. Requires all students and employees to abide by the terms of this policy as a condition of initial and continued enrollment/employment.
2. Recognizes that the illegal use of drugs and alcohol is in direct violation of local, state, and federal laws as well as policy, which strictly prohibits the illegal use, possession, manufacture, dispensing, and/or distribution of alcohol, drugs, or controlled substances in the workplace, on its premises, or as a part of any College-sponsored activities.
3. Considers a violation of this policy to be a major offense which can result in satisfactory participation in a drug or alcohol rehabilitation program, referral for criminal prosecution and/or immediate disciplinary action up to and including termination from employment, and suspension or expulsion from the College. A criminal conviction is not required for sanctions to be imposed upon an employee or student for violations of this policy.
4. Recognizes that violations of applicable local, state, and federal laws may subject an incarceration, imprisonment, and/or community service requirements. Convictions become a part of an individual's criminal record and may prohibit certain career and professional opportunities. A current listing of applicable local, state and federal sanctions may be obtained through the Admissions and Advising Office.
5. Requires an employee to notify his or her supervisor in writing of a criminal conviction for drug or alcohol related offenses occurring in the workplace no later than five calendar days following the conviction.
6. Provides access, through referral, to counseling services for counseling and training programs which inform students and employees about the dangers of drug and alcohol abuse. Voluntary participation in or referral to these services is strictly confidential.
7. Forbids an employee from performing sensitive safety functions while a prohibited drug is in his or her system.
8. Mandates drug testing of sensitive safety employees prior to employment, when there is reasonable cause, after an accident and before returning to duty after refusing to take a drug test or after not passing a drug test. (Sensitive safety employees are defined in CFR Volume 32, Part 280 and CFR Volume 49 Part 653. This legislation is available for review in the Admissions and Advising Office).
9. Provides for annual distribution of this policy to all staff, faculty, and students.

### Health Risks

Health risks generally associated with alcohol and drug abuse can result in, but are not limited to, a lowered immune system, damage to critical nerve cells, physical dependency, lung damage, heart problems, liver disease, physical and mental depression, increased infection, irreversible memory loss, personality changes, and thought disorders.

The Admissions and Advising Office and the Business Office staff are responsible for disseminating information to students and employees about the dangers of drug and alcohol abuse and availability of counseling and rehabilitation programs. The appropriate Vice President is responsible for notifying federal funding agencies within ten (10) calendar days whenever an employee is convicted of a drug-related crime which occurred in the workplace. This policy is based on the Drug Free Workplace Act of 1988, (P.L. 100-690, Title V, Subtitle D) and the Drug Free Schools and Communities Act Amendments of 1989 (P.L. 101-226).

## Release of Student Information and Access to Student Records

Public Law 93.380 (also known as the Buckley Amendment, also known as the Family Educational Rights and Privacy Act of 1974 as amended) has reference to the release of student information. The law permits the release of directory information unless the student requests this information not be released.

Directory information as defined by Redlands Community College includes the student's name, major, classification, current mailing address, telephone number, Redlands email address, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, enrollment status (full-time/part-time), degrees and awards received, photograph and the name of the institution attended immediately prior to admission to the College.

Students wishing to withhold directory information at any point during their time enrolled at Redlands must notify the Registrar's Office. The Registrar's Office must be notified in writing, via an in-person visit, fax or email from the student's own Redlands email account. The Registrar's Office is located in the Ray Porter Building on the Redlands Community College campus at 1300 S. Country Club Rd., El Reno, OK 73036. The fax number for the Registrar's Office is 405.422.1242 and the email address is [records@redlandsc.edu](mailto:records@redlandsc.edu). In the written notice, the student must give his/her name, address, telephone, student ID number, and a statement requesting a block on his/her directory information. The block will remain in effect until revoked by the student. If the student would like to allow others to access his/her information, the student must provide the same information listed above as well as the name of the person(s) who may have access and what information can be made available.

## Notification of Rights Under the Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act (FERPA) afford students certain rights with respect to their education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the College receives a request for access. Students should submit to the registrar, vice president, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the College official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. The rights to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask the College to amend a record that they believe is inaccurate or misleading. They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is defined as a person employed by the College in an administrative, supervisory, academic, or support staff position; a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the College discloses educational records without consent to officials of another school in which a student seeks or intends to enroll. Another exception which permits disclosure without consent is disclosure to relevant College, law enforcement or other officials as related to a health or safety emergency. Disclosure without consent is permitted in specifically defined health and safety emergencies that may affect the student him/herself, other students, or employees and visitors to the College. Disclosure of confidential information to parents, if the student is enrolled in a college-level course, is not permitted regardless of the student age. Written consent from the student must be given to the College that specifies the type of information to be released, to whom the information may be

released and the time period for which the written consent is valid. For more information about the disclosure guidelines in FERPA, please visit the FERPA website at [www.ed.gov/policy/gen/guid/fpco/ferpa/index.html](http://www.ed.gov/policy/gen/guid/fpco/ferpa/index.html)

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office; U.S. Department of Education; 400 Maryland Avenue, SW. Washington, D.C. 20202-4605.

## Academic Information

### Articulation-Transferring Credits

A student who has completed the Associate in Arts or Associate in Science degree requirements at Redlands Community College may transfer into a Bachelor's degree program at any senior institution in the Oklahoma State System of Higher Education and be assured of completing a program of studies in an orderly fashion. These assurances are a part of the articulation policy of the Oklahoma State Regents for Higher Education. Copies of the entire Policy Statement on Articulation of Students Among Institutions in the Oklahoma State System of Higher Education are available for student viewing in the Admissions and Advising Office.

### Classification of Students

Freshman

0 - 30 semester hours earned

Sophomore

31 or more semester hours earned

Full-Time Student

A student enrolled in 12 credit hours or more during a regular semester or 6 credit hours or more during a summer session.

Less than Full-Time Student

9 - 11 credit hours are classified as three-quarter time

6 - 8 credit hours are classified as half time

5 or less credit hours are classified as less-than-half time

### Grading System

Final grades are reported for each student for every course undertaken accordingly.

A semester hour is the unit of credit at Redlands Community College and is defined as the amount of credit given for one clock hour in class per week for 16 weeks (or the equivalent). Most classes meet three hours per week and, therefore, carry three semester hours of credit.

Grades used in calculating Grade Point Average (GPA) are calculated on a 4.0 basis as follows:

Grade	Definition	Grade Point Per Hour
A	Excellent	4
B	Good	3
C	Average	2
D	Below Average	1
F	Failure	0

Other Symbols

I—An incomplete grade (*I*) may be used to indicate that additional work is necessary to complete a course at the discretion of the instructor. It is not a substitute for an *F*. To receive an "*I*" grade, the student must have satisfactorily completed 70% of the required coursework for the semester as defined by the instructor. The maximum time limit to satisfy the *I* will be one semester (Spring or Fall) from the date the *I* grade was issued, with the instructor having the option to reduce the time limit at their discretion. *I* grades not changed by the instructor within this time will be changed to the grade specified by the instructor upon issuing the *I* that is the score of all course work required in the current semester course syllabus. An incomplete form from the faculty member consisting of the requirements for removal of the *I* will be submitted to the Registrar with the final grades.

AU—Audit status is available for any person eligible for regular enrollment, with the consent of the Registrar. Audit status is used for a student not interested in obtaining a course grade, but who is enrolled simply to get course information. The deadline to change enrollment status from a credit to an audit will be the eighth week of a 16-week semester or the fourth week of an 8-week semester. If a student wishes to change to an audit after the deadline, he or she must have the instructor's permission. The student who is in audit status must adhere to the instructor's policies on course work and attendance.

W—A withdrawal grade of (*W*) is issued when a student initiates a withdrawal during the institution's allowable withdrawal period. An institution's withdrawal period for a *W* shall begin after the last day of the drop period and shall not exceed three-fourths of the duration of the class length. The *W* grade is GPA neutral.

AW—An administrative withdrawal (*AW*) may be initiated by the instructor to indicate a student has been involuntarily withdrawn by the institution. Such institutional penalties must follow formal institutional procedures. Administrative withdrawals are GPA neutral.

P/F—An institution may elect to use pass-fail as an option for students in specified courses. A pass grade is a *P* and indicates hours earned but does not contribute to the GPA. The fail grade is an *F* and is calculated into the GPA.

#### Appeal of Grades

When a student believes that a final grade he or she received is inaccurate, a grade appeal may be initiated. The appeal will follow a specified procedure and must be initiated within one full semester after the grade was awarded. (A full semester is defined as a fall or spring semester).

- A. In general admission program classes, students wishing to appeal a grade must first discuss the grade with the instructor who assigned it.
- B. If a student desires further action, a written summation of the grade appeal should be submitted to the appropriate Department Head. After the written appeal is received, a meeting will be scheduled within one week by the Department Head. The student, the instructor, and the Department Head will be present in the meeting. Within 24 hours after the meeting, the Department Head will arrive at a decision and will submit this decision in writing to the instructor and to

the student. If the instructor of the course is also the Department Head, the Chief Academic Officer or their designee will be the next level of the grade appeal and shall assume the responsibilities of the Department Head.

- C. If the student or the instructor desires to appeal further, he or she should appeal to the Appeals Committee. Within one week after receiving the decision from the Department Head, the written appeal must be submitted to the administrator in charge of academic instruction who will, in turn, notify the Appeals Committee. The Committee will meet within one week after the administrator in charge of academic instruction receives the written appeal. The Appeals Committee, chaired by the Chairperson of the Standing Institutional Committee on Curriculum, will consist of one (1) faculty member appointed by the President of the College, one (1) faculty member appointed by the President of the Faculty Senate, one (1) counselor appointed by the administrator in charge of Admissions and Advising, one (1) faculty member appointed by the Department Head involved in Step B, and one (1) student appointed by the Student Activities Coordinator. At this point the student and/or the instructor may designate and identify one (1) other person to be present and participate in the Hearing. The name and official capacity of this person must be stated in the written appeal sent to the administrator in charge of academic Page 3 of 3 instruction. The student, the instructor, and the Department Head will also be present. The Appeals Committee will reach its decision by secret ballot reflecting a simple majority. The student and the instructor shall be notified in writing within 24 hours. The action of the Appeals Committee is binding. The student or instructor may appeal the decision to the Board of Regents of the College through the President of Redlands Community College.

### **Final Grades**

Instructors are required to submit to the Registrar's Office a final semester grade for each student whose name appears on the official roll and grade sheet. The official records of student grades are permanently filed in the Records Office.

### **Grade Changes**

A grade recorded in error may be changed only by the instructor within the following semester. All other requests for grade changes will be approved by the instructor and the appropriate Department Head.

### **Repeated Course Work**

A student shall have the prerogative to repeat courses and have only the second grade earned if the grade is a D or an F, regardless of whether it is lower than the first grade, count in the calculation of the GPA (up to a maximum of four courses but not to exceed 18 hours). The second course with its grade will be listed in the semester earned. The Explanation of Grades section of the transcript will note only the second grade earned is used in the calculation of the retention and graduation GPAs. If a student repeats an individual course more than once, all grades earned, with the exception of the first, are used to calculate the retention and graduation GPAs.

### **Academic Load**

A student is considered full time when enrolled in 12 or more credit hours during a semester. However, a student who plans to complete a degree program in two years should remember degree requirements vary and the minimum number of credit hours for degree completion is 60. No student will be permitted to enroll in more than 20 semester hours during any traditional semester without permission of the Director of Admissions and Advising.

### **Course Descriptions**

The number assigned to each course reflects specific information:

- The first digit denotes course level.
- Courses numbered 0001 to 0999 are zero-designation courses, which satisfy remediation requirements and do not count toward the completion of the student's college degree.
- Courses numbered 1000 to 1999 are primarily freshman level courses.
- Courses numbered 2000 to 2999 are primarily sophomore level courses.
- The second and third digits identify the course within the total offerings of the department.
- The fourth digit denotes the number of credit hours assigned to the course. Courses offered for a variable number of credit hours end with the numbers 1-4.

### **Retention Standards**

The following standards determine the retention of students at Redlands Community College. Failure to meet these standards will result in the student being placed on academic probation and, unless corrected, academic suspension.

0 - 30 semester hours attempted—1.70 retention GPA  
when semester hours exceed 30—2.00 retention GPA

### **Academic Probation**

Any student not maintaining satisfactory progress toward his or her academic objective as indicated above will be placed on probation for one semester. At the end of that semester, he or she must have a semester GPA of 2.0 of regularly graded course work, not to include activity or performance courses, or meet the minimum retention GPA standard required above, in order to continue as a student. Students not meeting either of these criteria will be immediately suspended and may not be reinstated until one regular semester—fall or spring—has elapsed.

### **Academic Suspension**

A student placed on academic suspension will not be allowed to re-enroll for one full semester. Students who have been placed on academic suspension may be readmitted after the lapse of one full semester--not including summer. They will be readmitted on probation. If a student is suspended for a second time, the student cannot enroll at the College without attending another accredited school and acquiring a 2.0 GPA.

Students that are placed on academic suspension for the first time may appeal their suspension status by submitting a written request to the Chief Academic Officer.

### **Adding and Dropping Courses**

All changes of enrollment must be initiated with a student's advisor and brought to the Registrar's Office. The addition of classes is allowed only during the first week of classes. See Academic Calendar for specific dates.

### **Class Attendance**

Students are expected to attend classes in which they are enrolled. It is the responsibility of the student to consult with the instructor when they must be absent. Instructors have the option of determining whether an absence is excused or unexcused and can initiate the procedure for granting an administrative withdrawal (AW) for non-attendance.

### **Honors**

Redlands Community College currently offers academically talented students the opportunity to enhance their regular coursework with innovative research and writing projects through an individualized contract pending their professor's approval. This contract allows interested students to expand their understanding of the course material by pursuing an independent study of a subject in greater depth.

A student must earn a minimum grade of a *B* in the course and fully complete the additional agreed-upon research project to the professor's satisfaction in order to receive an Honors notation on his/her transcript. If a student does not complete the full parameters of the Honors contract, that student's grade in the overall course will not be affected. However, a student's failure to complete an Honors contract may result in fewer Honors contract opportunities.

If a student successfully completes 15 credit hours of Honors work while attending Redlands Community college, he/she will graduate "With Honors" and receive special recognition at Commencement.

For more information, contact the Honors Program office at 405.422.1220 or [Honors.Program@redlandsc.edu](mailto:Honors.Program@redlandsc.edu).

### **Academic Service Learning**

Service Learning is an educational experience that enriches learning by engaging students in meaningful service to their schools and communities. It is an academic teaching method that helps students develop by taking the curriculum they learn in the classroom and using that knowledge in a real-world application setting. Students also participate in thoughtful, structured reflection, with a desired outcome of increased empathy and a heightened sense of civic responsibility.

Students at Redlands Community College may earn Service Learning course credit through an individualized Student/Faculty Agreement pending their professor's approval or by enrolling in Introduction to Service Learning, SOC1121-3.

For more information, contact the Service Learning office at 405.422.1220 or [Service.Learning@redlandsc.edu](mailto:Service.Learning@redlandsc.edu).

### **Prior Learning Assessment**

Prior learning assessment (*PLA*) is defined as learning that is attained outside the sponsorship of legally authorized and accredited post-secondary institutions. The term applies to learning acquired from work and life experiences, independent reading and study, the mass media, and participation in formal courses sponsored by associations, business, government, industry, the military, and unions.

A maximum of 50 percent of required hours towards a degree or certificate may be granted for *PLA* credit (including but not limited to Advanced Standing, CLEP, DSST, credit by examination, Advanced Placement credit, and credit for military training).

Students applying for prior learning assessment credit must be currently enrolled or eligible to re-enroll at Redlands Community College. Credits will be posted on the student's transcript after successfully completing 12 or more semester hours at Redlands Community College. The courses for which credit is awarded will be recorded with a *P* on the transcript with a notation signifying how the credit was earned. Credit may not be earned in a course when a course of more advanced standing has been completed.

Documentation in support of requests prior learning assessment credit should be submitted to the Registrar's Office. These documents will become a part of the student's official records and will be retained by the college. There is a per credit hour transcribing fee for all *PLA* credits.

### **Testing and Credit by Examination**

Students are offered the opportunity to earn a maximum of 32 semester hours of credit by examination, by Advanced Standing, the College Level Examination Program, the DANTES Standardized Subject Tests, or the Advanced Placement program. No tuition charges are assessed for credit by examination; however, the student must pay the designated examination fee.

### **Advanced Standing**

No tuition charges are assessed for credit by examination. However, the student must pay the Advanced Standing examination fee or the CLEP examination fee, depending upon the exam being taken.

Forms for initiating the Advanced Standing Examination procedure may be obtained in the Testing Center in LRC 22-A.

### **College Level Examination Program**

In order to register for the College Level Examination Program (*CLEP*), students must contact the Testing Center, LRC 22-A for a registration form.

Credit will be granted in a designated course if students achieve the score of 50 or above on a CLEP test.

In some instances, students may test out of two semesters of work based on CLEP scores. Contact the Testing Center for more information on specific score requirements.

Typically, students will be notified by mail within one week following the return of scores from CLEP whether they will or will not receive credit in courses for which tests were taken. At that time credit for courses earned through CLEP tests will be posted on the student's transcript.

## **DANTES Standardized Subject Tests Examination**

The DANTES Standardized Subject Tests (*DSST*) is a credit-by-examination program, similar to CLEP. By utilizing both the DSST and CLEP programs, students have access to a wide variety of credit-by-examination opportunities. Registration for DSST is handled through the Testing Center, LRC 22-A.

Credit for courses earned through DSST tests will be posted on the student's transcript after the conclusion of the term during which the credit was earned—provided the student has completed 12 semester hours or more through regular enrollment in courses.

## **Advanced Placement Program**

Redlands Community College grants credit for exams in the Advanced Placement (*AP*) program as administered by the College Entrance Examination Board in Princeton, New Jersey. The AP tests are taken by high school students in May of their junior or senior year of high school. Credit at Redlands Community College will be granted in a corresponding course for a score of three, four, or five on an examination.

## **Advanced Placement Plan or Articulation for Nursing Program**

The Advanced Placement Plan allows LPNs, EMTs, and Paramedics to receive credit by examination for the first two semesters of nursing major course work in the program.

## **Evaluation of Military Service**

Veterans with a minimum of six months of active military service may receive the following credits by submitting a copy of their separation papers—DD Form 214 or DD 215—to the Registrar's Office:

Fitness for Life—3 credits

Personal Health—2 credits

Veterans interested in receiving college credit for military training must submit completion certificates, JST transcript, CCAF transcript, evaluation forms, or other proof of completion to the Registrar. Evaluation is as recommended by the Guide of the Evaluation of Educational Experiences in the Armed Services, published by the American Council on Education. Copies of discharge and/or official service records must be submitted to the Registrar's Office for credit. Redlands Community College may accept, modify, or reject military training credit, depending upon the evaluation.

Students utilizing VA educational benefits must submit all previous training records, post-secondary transcripts, and military transcripts to be evaluated for prior credit, whether or not prior credit is granted, before a student can be certified.

## **Transfer of Credit from other Accredited Colleges and Universities**

Semester credit hours earned at another college may be applied toward a degree or certificate program at Redlands Community College. The credit must have been earned from colleges and universities accredited by the HLC or other regional associations.

The Registrar's Office will make the determination of acceptance of any course to be accepted for transfer to Redlands Community College. Credit will be evaluated from each individual college transcript. The number of credit hours to be accepted and the applicability of such evaluated credit will also be determined at that time.

Applicability of evaluated courses to a particular program at the College is made by the academic division of the specific curriculum in accordance with the recommendation for transfer from the Office of the Registrar.

## **Transcripts**

The Registrar's Office will send student transcripts upon the student's request to any college or agency named.

The Family Educational Rights and Privacy Act require the confidential nature of student records be preserved. Transcripts of college work will be released only if the student has signed a written statement requesting such information be released. See the Student Privacy Right.

Before grades and transcripts are released, all financial obligations to the College must be satisfied.

## **Graduation Requirements**

### **Application for Graduation**

Spring and summer graduation candidates should apply for graduation no later than the last Friday in March. Applications will be accepted after this date but these applicants will not be eligible for consideration for academic awards for that graduating class. Fall graduation candidates should submit application for graduation no later than second Friday in November. This application will initiate action toward a complete transcript evaluation to determine eligibility for graduation.

All required records, such as high school transcripts, ACT scores, and college transfer transcripts, must be on file to graduate from Redlands Community College.

### **Degree Awards**

Graduation with an associate's degree from Redlands Community College requires a student to have completed the program requirements with a retention graduation GPA of 2.0. While a student may earn a GPA of 2.0 which includes one or more grades of *D*, it is well to remember grades below *C* may not fulfill graduation requirements in some programs.

For the associate's degree, a student must complete 15 hours in residency at the College. Correspondence classes and credit by examination may not be used toward the resident credit hour requirement. No more than one-half of the work required for any degree or certificate may be taken by correspondence and credit by examination.

Summer graduation candidates may participate in the spring graduation ceremonies if they need nine hours or less to complete graduation requirements. The required hours needed to complete graduation requirements must be taken during the summer term. Graduation candidates that need more than nine hours to finish degree requirements will need to apply as a December graduate.

The diploma will be presented following the successful completion of the required course work and the clearing of all obligations at the institution.

### **Additional Degrees**

An additional degree for a different program may be earned by accumulating an additional 15 credit hours in residence at Redlands Community College above those submitted for the first degree. A minimum GPA of 2.0 must be attained on the 15 appropriate additional hours submitted. The specific degree and program requirements for the second degree must be successfully completed.

Advanced standing credits may not be used for the additional degree hours.

### **Program Degree Procedures**

Degree seeking students should follow the course requirement pattern for the academic area program selected as outlined in the catalog in effect at the time of entry. The program requirements remain in effect as long as continued, uninterrupted enrollment is maintained, with the exception of summer terms. A readmitted student must follow a program plan specified by the current academic year catalog.

A student needing assistance in planning a program of study should request the assistance of personnel in the Admissions and Advising Office. Any substitution of course requirements listed for the associate's degree must be approved by the Registrar's Office. A student has the option of meeting new degree requirements adopted since the date of enrollment.

### **Commencement Procedure**

At least one semester before they plan to complete their degree requirements, students should begin the commencement procedure as follows:

- All final, OFFICIAL transcripts from all schools attended and ACT scores must be on file before an official program plan can be prepared.
- A final check of the program and an application plan for graduation should take place in the Registrar's Office before the time of enrollment for the last semester of attendance.

- Once grades are recorded for the final semester of enrollment, a final review will take place and students will be contacted as to their status.

Degrees are conferred three times yearly; at the close of the fall, spring, and summer terms. Commencement ceremonies are held at the conclusion of the spring semester only. Summer graduation candidates participate in the preceding spring ceremony. Students are strongly encouraged to participate in the commencement ceremony. The graduation date indicated on the Redlands Community College transcript will be the last official day of the semester at the close of the fall, spring, or summer terms.

## **Honors and Awards**

### **Honor Rolls**

A President's Honor Roll, published at the close of each regular term, includes the names of students who have completed 12 or more hours and have a GPA of not less than 3.8, with no grade less than a *B*—excluding 0-level courses. A Vice President's Honor Roll is published similarly and includes the names of students who have completed 12 or more hours of work and have a GPA of 3.50 to 3.79, with no grade less than *C*—excluding 0-level courses.

### **Commencement Honors**

Students who have completed at least 60 semester hours prior to commencement are eligible for consideration for the following honors:

Summa Cum Laude	3.75 - 4.00 cumulative GPA
Magna Cum Laude	3.50 - 3.74 cumulative GPA
Cum Laude	3.25 - 3.49 cumulative GPA

### **President's Academic Award**

The graduating sophomore completing all degree work by the end of the spring semester of graduation and having the highest cumulative GPA will be recognized as the recipient of the President's Academic Award. This award will be awarded only one time to an individual. If a student has received the award while earning a first degree, the President's Academic Award cannot be awarded to the same earning a second degree.

## **Degrees, Programs and Certificates**

Redlands Community College offers Associate in Arts, Associate in Science, and Associate in Applied Science degrees, as well as Certificates of Mastery in the areas listed in Section II—Programs of Study of this catalog.

The Associate in Arts degree provides students with a general education background and allows them to take specialized courses within their major and minor fields prior to transferring to a four-year institution.

The Associate in Science degree provides students with a general education background and allows them to take specialized courses within their major and minor fields prior to transferring to a four-year institution.

The Associate in Applied Science degree is a two-year program which gives students a minimum general education background and a specialization in a selected technical program.

The Certificate of Mastery may be a one, two, or three semester program with concentration within a prescribed field of study. The objectives of these programs may be to prepare the student for immediate job entry, to help the student upgrade skills within an existing job, to aid in the preparation for a change in careers, or to provide opportunities for personal satisfaction.

## **Transferring General Education Courses**

It may be necessary for students to take additional courses in general education to meet minimum professional certification requirements, as defined by the state of Oklahoma, i.e. health and physical education, geography, Oklahoma history, etc., for teacher education certification. The completion of these requirements does not preclude requirements of senior institutions of particular grade for points for admission to professional departments or fields.

Note: State requirements for professional programs may change; therefore, pre-professional degree requirements outlined in this catalog may change. Always check with Admissions and Advising to make sure your program has not changed as a result of new state requirements.

# Resident Guidelines

## Abandoned Property

Items of significant value that are left when resident's check-out of their rooms will be considered abandoned property. The college will make all reasonable efforts to inform the student that he/she left property in his/her room. If the student does not collect the abandoned property within 5 days of his/her check-out date, the items will become property of Redlands Community College and will be disposed of as deemed appropriate. Items of little or no apparent value left in apartments will be disposed of immediately following a resident's departure from an apartment.

## Alcohol/Drugs

Alcohol is prohibited in the Cougar Crossing facilities, including the apartments, courtyard, parking lot and community center. Fines for alcohol violations are as follows:

- **First Violation:** \$150 fine and 20 hours of Community Service to be done within two weeks of violation - possible Parental Notification.
- **Second Violation:** \$250 fine and 40 hours of Community Service to be done within two weeks of violation - possible Parental Notification.
- **Third Violation:** \$350 fine, eviction from Cougar Crossing and possible expulsion from the College - Parental Notification.

**NOTE:** Alcohol infractions will be accounted for and accrued for the entire duration that a student is enrolled at Redlands. Breaks in enrollment will not eliminate accrued infractions from a student's record.

The use, possession, or distribution of an illegal stimulant, depressant, hallucinogenic, or narcotic drug in or around the Cougar Crossing facilities is prohibited. Any and all types of drug paraphernalia including, but not limited to, bongs, pipes, water pipes, or any items modified or adapted so that they can be used to consume or use drugs, are not permitted on College property. Drugs and drug paraphernalia will be confiscated when found on College property. When a drug policy violation is suspected, Law Enforcement Authorities may be called. The deputies may elect to utilize (within the parameters of the law) a drug-sniffing K-9 dog to assist their efforts in enforcing this drug policy and will also conduct random searches.

- **First Violation:** \$150 fine, required attendance at a Drug/Alcohol Education class taught at Redlands and 20 hours of Community Service to be done within two weeks of violation—possible Parental Notification

## Alteration of Apartment

No alteration of apartments may be made, including paint, wallpaper, contact paper, carpet tape, or other adhesive backed decoration. Screws may not be used on any surface. Plant hangers or similar hooks placed in ceilings or other room surfaces are prohibited. No furniture may be placed in apartments without prior approval from the Coordinator of Resident Life. No exceptions.

## Appliances and Fixtures

Please do not overload your dishwasher and only use detergents made for automatic dishwashers. To keep your garbage

disposal in good working order, do not grind bones, rinds, or stringy foods. If your disposal stops, check the reset button on the outside of the disposal under the sink. In case of power failure, check your circuit breaker inside your apartment before reporting to the management office. Microwaves and toasters are allowed. Hot plates and outdoor grills are prohibited. Please do not put paper towels or sanitary products in the toilet. The cost of any repair or service on appliances due to misuse by residents or their guests will be charged to the resident. Please use a cutting board rather than chopping and cutting on kitchen counter tops. **NOTE:** The cleaning of all appliances in your apartment is your responsibility, and you will be billed if you fail to properly clean college-owned appliances before you move out. Additionally, do not attempt to repair broken appliances yourself.

## Bicycles

Residents who bring bicycles to the campus are responsible for their security. A bike rack is located at the end of building one. Good locks and case-hardened chains are recommended for locking bicycles. Bicycles should be kept only in exterior areas designed for their storage.

## Care of Apartments

Apartments and rooms should be locked at all times when occupant is not in the apartment. Student's property in the apartments and other college buildings is there at the risk of the owner. The college is not responsible for loss or damage to such property from any cause. The college reserves the right to enter rooms for maintenance inspection, health and welfare checks and/or other valid reasons.

- **HEALTH AND WELFARE CHECKS WILL BE CONDUCTED EVERY TWO WEEKS.** You will be charged if we have to remove trash or clean your apartment.

## Check-In/Check-Out Procedure

Check-in forms will be provided when a resident is assigned a room. All campus functions, i.e., financial aid, business office, and housing representatives will be on hand to assure a smooth transition into your room. It is the resident's responsibility to report any existing damage within 48 hours at the time of move in. **PLEASE NOTE:** Keys will not be issued until check-in forms have been submitted! At move out each semester, residents must complete our check-out procedure with a designated RA. Residents must remove all personal belongings and decorations and clean the apartment thoroughly which includes shampooing the carpet before leaving permanently. The student's signature, along with a signature from one of the Resident Life staff, must be on an official check-out form and the room key returned in order for a student to be considered properly checked out. A fine of \$100 will be assessed for improper check-out procedure if the above process is not followed.

**\*\* NOTE:** Move out occurs at the end of each semester. Exceptions can be made, but requests must be made through the Office of the Coordinator of Resident Life\*\*

Steps for check out are as follows:

1. Make an appointment with your Resident Assistant for room move-out.
  - Must be made 24 hours in advance and must be completed by 5 pm two days following the final Friday of the semester.
  - Check out must occur after you have removed all belongings from your room and are ready to leave the resident hall.
2. Your Resident Assistant will complete your digital Room Condition Report.
  - When you and your Resident Assistant leave your room at the completion of room move-out, windows should be closed, your lights should be off, air conditioner switched off and your door locked.
3. Turn in all keys.

## Cleaning Responsibilities

To ensure a safe, healthy environment, a reasonable level of cleanliness is expected in individual living spaces and community

areas. If the environment in an individual living space is deemed unhealthy, the resident(s) responsible for that space will be required to clean or be billed for the cost to clean the space to a healthy level. **PLEASE NOTE: HEALTH AND WELFARE CHECKS WILL BE CONDUCTED EVERY TWO WEEKS.**

### **Consolidation**

Redlands reserves the right to consolidate vacancies by reassignment or adjusting the occupancy of an apartment to maximize the use of space.

### **Cooperation of Residents**

Cooperation with Resident Life staff is expected. Any reasonable request should be honored in a timely manner. Failure to cooperate or continued delay in cooperation with reasonable requests will result in disciplinary action.

### **COVID-19 Procedures**

Facemasks are required everywhere on campus! You are allowed to remove your facemask in your assigned apartment only.

No Overnight visitors. Only Redlands students that are assigned to apartment are allowed to stay overnight

No outside visitors are allowed inside the apartments. If Redlands students gather in an apartment, absolutely no more than 10 individuals per apartment and facemasks must be worn.

Apartments must be cleaned and disinfected often! This is extremely important in shared areas such as kitchens, bathrooms and living rooms. Redlands staff cleaned and disinfected all apartments in depth before move in. Once the students move in, it is the responsibility of the students to keep apartments clean!

Students not feeling well should stay in their room and contact your instructors and the housing director for further instructions. According to the CDC website, you should watch for these symptoms:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting

### **Procedure Enforcement**

RA's, the housing director, as well as other Redlands employees will be monitoring to make sure these procedures are followed. Violations of this Health and Safety Protocol are as follows:

The Centers for Disease Control and Prevention has lots of helpful information. Please follow this link for additional details: [www.cdc.gov/coronavirus/2019-nCoV/index.html](http://www.cdc.gov/coronavirus/2019-nCoV/index.html)

## Damages

Damage to the residence in excess of normal usage or due to misuse, either accidentally or maliciously, will be billed directly to the resident. Damages to communal areas will be paid by all residents of that apartment. All or part of the room deposit shall be forfeited should there be any damage. The resident shall also be responsible for the actual cost of repair or replacement in case of damage in excess of the room deposit and/or the cost to clean the apartment if the apartment is left messy or damaged due to improper cleaning. It is also the college's DAMAGES policy to collect for damages to a room when no one will admit to causing the damage.

- Students are not permitted to perform maintenance tasks requiring repair. Inform the Coordinator of Resident Life or the housing staff of any maintenance needs. (**NOTE:** After 5 p.m., please call Security at 405.422.6200.)

## Decorations

Modifications may be made as provided under applicable federal, state, or municipal laws or ordinances relating to accessibility of the apartment community to persons with disabilities. No modification of apartment walls, shelves, or interiors may be made. It is permissible for residents to hang pictures, mirrors, etc., on the walls of the apartment. Only Bulldog picture hangers are permitted. Do not use scotch tape, sticky tape, screws, large nails, etc.

While there is opportunity for students to express individuality in decorating their living spaces, the following guidelines must be followed in the interest of preventing fire and other dangers:

- Candles, incense and flammable lamps (such as oil lamps) are prohibited. These are extremely dangerous due to high heat and open flame.
- Street signs, cones, flags, etc., that have been illegally acquired are forbidden. Such material will be confiscated, and occupants disciplined by the college. Furthermore, the college will cooperate with local authorities who may arrest and press criminal charges.
- No darts of any kind (or size) are allowed in the apartments.
- Rooms must not be decorated with alcoholic beverage containers of any sort.
- No real Christmas trees are allowed anywhere in the apartments. Holiday decorations need to be taken down before you leave for the holiday break.
- No fireworks of any kind are allowed.
- Sheets/blankets/flags, etc., may not be hung in the windows.
- Due to potential structural damage and safety concerns, residents are not allowed on any roofs. Violations may result in disciplinary charges.

## Eligibility

Students must have a signed housing contract on file with the Resident Life Office prior to occupancy of college housing. To be eligible for residency, students must carry a minimum of 6 credit hours per semester for fall and spring semesters and 3 credit hours for the summer semester. Exception can be made by the VP of Finance and Campus Operations. Conviction of a felony may result in ineligibility to live at Cougar Crossing.

## Emergencies

Non-life threatening emergencies should be reported to housing or security staff.

Life threatening emergencies should be reported immediately to 911, followed by contacting the Resident Life staff.

## Finals Week

During finals week, 24-hour quiet goes into effect and remains in effect until after the last scheduled exam. Noise disruptive to the education environment is prohibited. The college may schedule pre-announced activities during finals week to aid in the study process.

## Fire Drills and Extinguishers

Fire extinguishers are in every apartment below the kitchen sink. Fire safety equipment in our living areas is designed for use only in emergency situations. Tampering with or disabling any fire safety equipment (including fire extinguishers, fire alarm pull stations, smoke or heat detectors, or any other safety equipment) is a threat to life and is **STRICTLY** prohibited and subject to fines and/or eviction. Additionally, pulling false fire alarms or intentionally blocking an exit for any reason is prohibited. Any resident found responsible for tampering with or disabling fire safety equipment, pulling false fire alarm, or intentionally blocking an exit at any time will face judicial action, which could include fines and/or eviction from on-campus housing. If an alarm sounds, you are to assume there is an emergency and evacuate the building immediately. Failure to evacuate a building during an alarm will result in disciplinary action and possible criminal charges. (**NOTE:** A recharge fee of \$35 will be assessed for tampering with/disabling/discharging a fire extinguisher.)

### Remember:

1. Feel the door for heat (use the back of your hand). If the door is hot, do not open it.
2. Close the windows.
3. If you cannot leave the room, stay calm.
  - Call 911 to notify authorities of your location
  - Stuff wet sheets or clothing under doors
  - Hang a sheet out the window and/or shout to attract attention
4. If you leave the room, close the door behind you.
  - Stay low to the ground if smoke is present
  - Move quickly, but do not run
  - Take a towel to cover your mouth and nose in order to avoid smoke inhalation
5. Do not re-enter the building until permitted to do so by emergency officials or staff.

Decorations such as posters, tapestries, or draperies may not be displayed in such a manner that could cause ignition, block exits or smoke detectors, or in any way present a fire hazard. This includes hanging a drapery over a doorway or tapestry that touches a light fixture. Please note that, per this policy, halogen lamps are prohibited, due to posing a high fire safety hazard. As an alternative to halogen lamps, consider purchasing a compact fluorescent light (CFL).

## For Your Peace of Mind

Please keep all doors and windows closed and locked during absence to protect against theft or vandalism. Cougar Crossing **“strongly encourages”** all students or their parents to have personal property renter’s insurance that covers students’ personal possessions. Immediately report to the Deputy on duty, security officer, Resident Life staff and/or El Reno Police Department (911) of any suspicious persons, strange vehicles, or unusual activity.

To maintain pride in the appearance of our community, please keep your walkway and entryway uncluttered and free of trash. Notify the Coordinator of Resident Life immediately of any burned out exterior or hallway lights, faulty locks, lost keys, etc.

Residents must provide the management office with written permission in order to allow anyone into resident’s apartment when the resident is not present. Included are service men, moving employees, out-of-town guests and relatives.

## General Guidelines

Do be accepting and understanding of lifestyles different from your own.  
Do talk about your feelings (a roommate cannot respond to unexpressed feelings).  
Do keep accurate records of any shared bills.  
Do return or replace something if you borrow or break it.  
Do make an effort to keep your living space clean and comfortable. The more livable your space is, the happier you will be.  
Don't think problems are going to go away by themselves.  
Don't pretend that everything is fine if there are unresolved issues.  
Don't leave notes; communicate in person.

## Hazing

Hazing is prohibited. Hazing is any action or activity that causes or is likely to cause physical or mental discomfort or distress that may demean, degrade, or disgrace any person, regardless of location, intent or consent of participants, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in a group or organization. Apathy in the presence of hazing is not a neutral act; it is a violation of this rule as set forth in Redlands Policy 503 Title IX and Sexual Misconduct.

## Housing Technology Offerings

Redlands has made significant investments in technology both to foster and promote student learning. Free wireless internet access is currently available to students in the Cougar Crossing Community Center and each apartment. The Community Center is also home to a small computer lab that can be used for research and course work. Please review the statement of policy provided within your student handbook for usage criteria. **(NOTE:** WI-FI extenders are prohibited and will be confiscated. Repeat offenders will receive a \$50 fine.)

## Immunizations

Oklahoma statutes, Title 70 §3242, require that all students who are first time enrollees in any public or private postsecondary education institute in this state and who reside in on-campus student housing shall be vaccinated against meningococcal disease. Institutions of higher education must provide the student or the student's parent or other legal representative detailed information associated with meningococcal disease and on the availability and effectiveness of any vaccine. The statute permits the student or, if the student is a minor, the student's parent or other legal representative, to sign a written waiver stating that the student has received and reviewed the information provided on the risks associated with meningococcal disease and on the availability and effectiveness of any vaccine, and has chosen not to be or not to have the student vaccinated.

## Incorporation of Rules and Regulations

Redlands reserves the right to modify Cougar Crossing rules at any time. Rule changes will be posted in the common areas of Cougar Crossing and in the Resident Life Office. The changes will go into effect on the date included in the posted notice. Residents are responsible for knowing and abiding by all rules in the handbook, in the documents presented to them and in posted notices.

## Lockout Policy

A student is allowed one (1) free lockout. After the first lockout, a \$25 fine is assessed. After midnight, the fine is \$35. If you are locked out of your room, please contact the on-call Resident Life staff member.

## Lost Keys and Key Cards

A fee of \$25 per key will be charged to the resident to replace lost keys.

## Lounges/Common Area Amenities

Your apartment includes a living room, kitchen and bathroom that you will share with a roommate(s). It is up to you and

your roommate(s) to establish cleanliness standards (within reason), cleaning schedules and other rules to facilitate the use of these shared spaces. If damage(s) occur in a common area and cannot be attributed to an individual resident or for which no individual resident willingly accepts responsibility, the cost to repair such damages will be split among all members of the apartment.

### **Maintenance Requests**

Any maintenance problem should be reported immediately to the office. The Student Housing office will prepare a work order and submit it to the Physical Plant that day or the next business day if reported late, or on the weekends. If it is an emergency or after hours, maintenance will be called. If there is a maintenance emergency, please contact the RA on duty or Security at 405-422-6200.

### **Off-Campus Behavior**

Adverse or illegal actions not committed on college property may also be subject to disciplinary actions, as well as criminal or civil action by appropriate authorities

### **Parental Notification**

As stated in the *Family Educational Rights and Privacy Act (FERPA) §99.31*, institutions may disclose to parents, without a student's consent, when students under 21 violate drug or alcohol laws or policies. Institutions may disclose this information to parents "without regard to whether the student is a dependent." As stated in the regulation, colleges are not required to alert the student when parents have been notified, but are required to maintain a record of the disclosure to the parent and provide it to the student at their request.

### **Personal Transportation**

#### *Skateboards, Skates*

Residents who want to use roller skates, in-line skates, or skateboards are asked to use designated areas off campus for these activities. These activities are not permitted in and/or around Cougar Crossing property and communities. These items must be stored within a resident's room or vehicle.

#### *Electronic Skateboards, Hover-boards*

Electronic skateboards, including self-balancing boards/scooters and any other similar equipment are prohibited from being used, stored, and/or charged in any Cougar Crossing Building/community due to a potential fire hazard.

#### *Scooters, Motorcycles*

Scooters and motorcycles must follow parking and traffic rules and are not permitted on sidewalks. Scooters and motorcycles must be parked in parking spots and are not allowed to be stored inside or immediately outside of Cougar Crossing doorways.

### **Pets**

Except as required by law, no pets are allowed (even temporarily) anywhere in the apartment or on campus property. "Pets" include all mammals, reptiles, amphibians, birds and insects. Feeding stray or unauthorized pets is also prohibited. A \$300 fine will be assessed if an animal is found in your room.

**Service Animals:** In order for your animal to be considered by Housing, it must meet the following documentation requirements:

- **Licensing:** According to Oklahoma law, any dog older than four months must be licensed and must display a license on its collar at all times.
- **Health:** Animals to be used on campus must have an annual clean bill of health (including vaccinations) signed by a licensed veterinarian. A valid vaccination tag must be worn by the animal at all times.

**Note:** Therapy/emotional support animals are NOT service animals and, like pets, are NOT allowed on campus.

## Quiet Hours

Quiet hours produce an atmosphere conducive to good scholarship and help create an environment where individuals can benefit from the group living experience. During specific times, residents are asked to keep the noise levels to a minimum in order to accommodate the sleep and study habits of their peers. **Quiet Hours are from 11 p.m. – 7 a.m., seven days a week.** Although, quiet hours last from 11 p.m. – 7 a.m., courtesy hours are to be upheld 24 hours a day, seven days a week. Courtesy Hours are where you respect the rights of others by keeping your noise down. If a student or staff member ask you to lower the volume, then you need to do so or be subject to disciplinary action

## Renters Insurance

You rent the house or apartment where you live, so why would you need insurance? Isn't that just for homeowners? The commercial property insurance policy that covers the physical dwelling you live in does not cover your possessions inside the building. A renter's insurance policy (also known as a tenant's policy) provides protection for your personal property, such as furniture or electronic equipment, in case of perils like fire, theft, or wind damage from a tornado.

Unintentional bodily injury or property damage that you cause to others could be as financially damaging to you as a fire in your apartment. Liability protection against accidental occurrences (such as a visitor slipping on your wet kitchen floor and breaking an arm) comes standard with renter's insurance policies. **NOTE:** Cougar Crossing **"strongly encourages"** you and/or your parents or guardian to have homeowners/renters insurance.

## Resident Advisors

RAs are available to assist residents in transition, information, maintenance requests and general issues that may develop. If a resident is facing an issue, please contact your building RA first, then, if necessary, another RA on-call. If the issue cannot be resolved, then the resident should contact the Coordinator of Resident Life. RA's are student leaders at Cougar Crossing; however, they also are students. Please be sensitive to their privacy and needs as well. On weekends, please contact the RA on duty.

## Right of Entry and Search

Authorized Redlands personnel may enter any student's room at any time that a health, safety, administrative search, maintenance and/or damage inspection of the premises is deemed necessary. College officials also have the right to search any room for reasons that they deem appropriate to protect the health and safety of all students living in the apartments. Staff will knock on a door twice and announce their title. If there is no answer, the staff will use a key to access the room and announce staff entering room. If there is cause to believe there is a violation of College regulations, including reasonable suspicion of a violation of the drug and/or alcohol policy, failure to evacuate during drills, or failure to respond to the request of a staff member to open the door during a policy violation, rooms may be entered in the absence of all occupants. When college personnel enter a student's room in the absence of its occupants, the privacy of the occupants with respect to other students will be maintained and the residents will be notified in writing of the reason for the entry. Room inspections are made at periodic intervals to maintain and preserve the housing accommodations.

## Safe Rooms

Two safe rooms are located in the Community Center: the laundry room (OPEN 24/7) and an equipment room. These rooms will be unlocked and available when threatening weather is forecast or imminent. **DO NOT STAY IN YOUR ROOMS IF THE SIRENS GO OFF. GO TO THE SAFE ROOMS!**

## Tobacco

It is the policy of Redlands Community College to promote the health and wellbeing of all faculty, staff, students and guests and to be in compliance with the Governor's Executive Order 2012-01. Title 63 of the Oklahoma Statutes, Sections 1-1523 prohibits smoking in all public places, in any indoor workplace, and all vehicles owned by the State of Oklahoma and all of its agencies and instrumentalities. As such, Redlands Community College observes a policy of a tobacco free campus. The use of any tobacco products are prohibited on all Redlands Community College properties. Prohibited tobacco products

include, but are not limited to the following: cigarettes, cigars, pipes, hookahs, e-cigarettes, vapor cigarettes, chewing tobacco, dip, snuff, smokeless pouches, or any other form of loose leaf tobacco. Fines for tobacco violations are as follows:

- **First Violation:** \$100 fine and 15 hours of Community Service to be done within two weeks of violation.
- **Second Violation:** \$150 fine and 30 hours of Community Service to be done within two weeks of violation; Possible eviction from Cougar Crossing Apartments; Possible expulsion from Redlands Community College.
- **Third Violation:** \$200 fine, eviction from Cougar Crossing Apartments; Forfeiture of the \$200 deposit; \$500 break lease fee; Expulsion from Redlands Community College.

**NOTE:** Tobacco infractions will be accounted for and accrued for the entire duration that a student is enrolled at Redlands. Breaks in enrollment will not eliminate accrued infractions from a student's record.

## **Tornado**

Oklahoma is known for severe weather and thunderstorms, especially in the spring and summer months. Storms may become severe and produce tornadoes quickly. During inclement weather, please try to keep an eye out for changing weather.

**Tornado Watch:** A tornado watch means weather conditions are favorable for the formation of tornadoes, but no tornado has been detected in the immediate area. "Tornado Watch" warning signs will be posted, indicating conditions are favorable for the formation of a tornado. Stay alert for weather changes.

**Tornado Warning:** A tornado warning means a tornado has been spotted by trained weather professionals in person or on radar. Tornado and security warnings are indicated by intermittent sounds of city sirens. This signal is given only when a tornado is likely to strike immediately or within fifteen (15) minutes.

In the event tornado sirens sound or threat of severe weather is imminent:

- Go immediately to the Community Center safe rooms (laundry room and storage room by fitness center).
- In the event you cannot reach a designated shelter area in a timely and safe manner, it is recommended that you "shelter in place" by seeking the lowest level of the structure and get into an interior space that does not have windows and remain until you are sure the danger has passed.

## **Transferring to Another Room**

Students may request to change rooms or room status as space is available. Students must receive approval from the Coordinator of Resident Life before a change can be made. All room changes must occur within 24 hours of the approval of a room change request. There is a \$200 transfer fee for transferring to another apartment.

## **Visitors and Guests**

Short-term guest are welcome to visit you for a maximum of two consecutive nights, provided your roommate(s) agree to the presence of a guest. Residents will be fined \$200 for allowing a guest to live in the apartment for an extended period of time. Guests must be escorted at all times by the host. Guests must register in the office if staying overnight.

## **Weapons**

Possession or use of firearms, weapons, ammunition, fireworks, dangerous chemicals and explosives, except where explicitly permitted, is not allowed on College and College campuses by Oklahoma law or by the College President. Redlands Community College's approach toward our competitive teams supports the college's general education philosophy and demonstrates the value we place on the educational experience of our students. We are committed to providing a positive experience for our students by giving them the opportunity and support to excel in their competitive fields while finding success in academics and citizenship. In addition, the Redlands Community College competitive teams program provides an avenue for students to develop leadership skills that will help them attain their personal and professional goals.

### Student Athletes

The Redlands Athletic Program offers competition in five intercollegiate sports. The College is a member of the National Junior College Athletic Association (NJCAA) and competes in Region II. The five sports Redlands offers include basketball, baseball, cross country and women's soccer and golf.

Redlands Community College and the surrounding communities have created a strong tradition of competitive, successful student-athletes. Student-athletes have achieved remarkable feats both on the field of play and also in the classroom. The Redlands Athletic Department prides itself on being a progressive, diverse department. The staff believes that success comes from hard work both on the field of play, as well as in the classroom. Our department looks forward to you being a Cougar for the upcoming year.

### Beef and Judging Teams

The Redlands livestock judging program offers a unique opportunity for students to develop and learn valuable life skills in an ultra-competitive atmosphere. The National Junior College Livestock Judging Coaches association governs us. The Redlands Beef Team competes in contests such as Oklahoma State Fair, Tulsa State Fair and Fort Worth Stock Show. Team members learn effective communication and leadership skills, teamwork, and analytical thinking with fellow peers at Redlands.

We have fostered a strong program built on academic excellence, community service, and helping students reach their competitive potential. Our students are expected to show growth and maturity in and out of the judging arena. We have a strong standard of accountability and the ability to function and coordinated in a rigorous travel and competition schedule, while holding the team standard in academic achievement. Our team looks forward to serving you as a team member.

### Academic Teams

Redlands academic team was established to compete for scholarship money on the Mind Games television program. The academic team mainly competes in the National Academic Quiz Tournament organization (NAQT), but has also played in the Academic Competition Federation (ACF) and state and local competitions. The team is also active in hosting, moderating, judging, and assisting high school and middle school competitions.

Redlands academic team has consistently ranked among the top community college teams in the nation and members are expected to place team success along with academics as a priority. Coaches work closely with team members not only with quiz bowl, but also academic success at Redlands and beyond.

## **Redlands Code of Conduct**

### **Behavior Expectations for All Competitive Teams**

Being a Redlands student competitive team member is a privilege, not a right. It is important that all Competitive Team students represent Redlands in a positive light at all times. A student competitive team member's behavior is judged on campus, off campus, and in the different venues each respective team travels to during the year. Following is a list of some of the expectations of the competitive team student at Redlands.

1. To give 100% every day in the classroom, during practice, rehearsals and competition
2. To attend and log into all classes
3. Dress and have personal appearance in a responsible and self-respecting manner
4. To complete all assignments on your own, to the best of your ability
5. To listen and learn both in the classroom and with your team
6. To support other Redlands intercollegiate competitive teams
7. To make responsible decisions everyday
8. Treat fellow students, team members, coaches, faculty and staff with respect

### **Typical Daily Schedule for Competitive Team Participants**

Each Redlands team's schedule will be unique. However, the daily time commitment for each team is relatively similar. Each student should expect to spend 3-4 hours in class, 2 hours in team practice, 2-4 hours in independent study or study hall each day. Athletes have 1-2 hours in the weight room or conditioning, and individual skill building.

### **Cell Phone Use**

Cell phones are to be used during a competitive student's personal time only. Cell phone use during practices, rehearsals or events is to be established by your Coach. Phones may be collected by members of the coaching staff if inappropriate use is deemed by coach. Cell phones should not be turned on during any competitive event.

### **Dress Code**

Competitive team students are reminded that they are representatives of Redlands Community College. Teams will dress in an acceptable fashion when traveling to and from athletic contests. Proper travel attire will be determined by the head coach of each team. Attire during a competitive event will be determined by the head coach of each team.

### **Media Relations**

Competitive team students may engage in a variety of community projects throughout the course of the year. Students are required to speak and dress in an appropriate manner during all community events. Students may be photographed and interviewed by members of the press. All students will act in a positive manner towards these individuals.

## **Online Social Networks (Facebook, Twitter, Instagram, Snapchat, etc.)**

Many higher education institutions are creating policies for students who participate in online social networks. While you attend school at Redlands, you may participate in these networks. However, you may not have any pictures of yourself or others in Redlands apparel on these pages when acting in a derogatory manner. You may also not have Redlands photos on the pages if there are additional derogatory photos on the page that do not involve Redlands students or staff. Negative comments on your pages about any Redlands students or staff will not be tolerated. If a Redlands employee finds you in violation of this policy, you will be subject to disciplinary actions.

## **Parent Involvement**

Students over the age of 18 should sign a FERPA Release Form if the student wants a Redlands faculty or staff member to speak to a parent or guardian. Redlands has specific protocols in place to ensure that any questions or concerns from students are addressed. Students are advised to see their respective coach with issues or concerns at any time these arise. If an issue cannot be resolved through the coach, students may then meet with the one of the Athletic Directors or the Chief Academic Officer. The College will not respond to anonymous phone calls, emails, parent phone calls, or parent visits unless the students has followed protocol by signing a FERPA Release Form. This policy helps ensure that every situation is dealt with in a uniform manner.

## **Sexual Misconduct**

Redlands is committed to providing a safe environment for all students. Engaging in any unwelcome conduct, including non-consensual sexual contact, harassment, bullying and hazing, will result in disciplinary action in accordance with the Student Code of Conduct as described in the Student Handbook.

## **Theft**

Redlands staff expects each competitive team member to treat all Redlands students, staff, other employees and community members with respect. The taking of materials that are not your own is not permissible. Acts of theft will not be tolerated and each instance will be dealt with accordingly and may involve the resources of our local law enforcement.

## **Travel**

All student-competitive team members may be required to travel to and from a competitive contest with their respective team. Emergency situations that may arise will be handled on an individual basis by the Athletic Director and the Chief Academic Officer. These requests must be approved by the Athletic Director and Chief Academic Officer before final travel arrangements are made. Coaches are not allowed to secure transportation for their respective athletes during any semester breaks.

4. It is your responsibility to inform your instructor you will be missing class due to a team event. Instructors are not required to make provisions for any make-up tests or assignments if you do not make contact before missing classes.
5. Participate in class. Speak up in class. Ask questions, and most of all, pay attention.
6. Visit your instructor or advisor. See your instructor before or after class about grades, comments made on a paper or upcoming tests. Your advisor can help you if you should encounter any personal or academic problems.
7. Submit assignments on time. Make sure your assignments look neat and sharp. Take the time to produce a final product that looks good and shows a caring attitude and pride in your work.
8. Earn extra credit if offered. Demonstrate that you care about your grades and are willing to work to improve them. Do optional work assignments that many students pass up. Extra-credit assignments and projects can mean the difference between a C and a B. Instructors are not obligated to assign extra work, but if they offer, take advantage of that situation.

# Financial Assistance

To defray other educational costs, all students are required to apply for additional funding by submitting the Free Application for Federal Student Aid (FAFSA). Applying for federal aid takes time, and students should apply early, preferably by March 1 or as early as October 1. Begin by completing the FAFSA online at [www.fafsa.gov](http://www.fafsa.gov). Students should submit accurate information and maintain communication with their financial aid advisor to ensure the financial aid is available before classes begin.

## Scholarships

Students must maintain a 2.0 cumulative grade point average (GPA) and be enrolled and attending at least 12 credit hours each semester. Students who have a scholarship may drop and add classes free of charge during the institution's drop and add period. During the drop/add period, scholarship students should be mindful to maintain credit hour enrollment required by scholarship award. Student are responsible for all charges incurred for dropping or adding classes after this period.

- **How to maintain scholarship status**

Students must remain in good academic standing with the institution to keep their scholarship. Federal regulations require students to maintain a cumulative 2.0 GPA to continue receiving monetary aid, with an exception for first semester freshman student athletes of 1.7. Students who fall below a 2.0 GPA will be placed on financial aid probation. If athletes are placed on probation, the student must complete the full appeal process with both the Financial Aid Office and the Athletic Director. Failure to increase the low GPA, or complete the appeal process will result in the suspension of the athletic scholarship. Other scholarships will be suspended or revoked if GPA falls below 2.0. If a student is placed on academic suspension at the end of a semester, his/her scholarship will be revoked for the upcoming semester, regardless of the findings of an Appeal Committee. If a student loses his or her scholarship for academic or disciplinary reasons, the team coach must notify the student both in person and in writing.

A competitive team student may appeal the finding of a positive result, violation of this policy, or the sanction imposed for either a positive test or violation of this policy. To appeal, the competitive team student must provide written evidence of material procedural error, evidence that refutes the positive finding or violation, or evidence that the sanction is unreasonable. The competitive team student must submit the written appeal to the Chief Academic Officer within seven days after the student is notified of the decision to be appealed. If the student does not appeal within seven days, the result, finding or sanction cannot later be reviewed. The decision of Athletic Director or Team Coach to suspend a competitive team student from competition, practices, judging or play on medical grounds is not a sanction (and cannot be appealed) under this policy. The Chief Academic Officer will review the appeal and evidence de novo on the record, and will make a written decision to the student and Athletic Director or Team Coach within ten (10) school days. This decision will be final.

Sportsmanship and citizenship are modes of conduct that promote and develop respect for fellow participants, coaches and teammates. Respect should also be reflected in each student athlete's behavior toward officials and spectators. Every individual participating in any NJCAA event must abide by the following:

### **Behavior Rules**

### **Violent Behavior**

Acts of violence or flagrant acts during or related to an athletic contest are not permitted. A violent act is one which physical contact or an attempt to make physical contact occurs, the purpose of which is to damage, harm, intimidate, or otherwise injure a person or property.

*Penalty for Violent Behavior* — Any player, coach or team personnel who is guilty of leaving his/her sideline, bench or position to participate in violent behavior will be considered a responsible party in such behavior and will be subject to the national fight rule governing their respective sport. Should no such rule exist in the individual sport rulebook, individuals will be subject to the following.

1. Immediate ejection;
2. A one game suspension to be served during the next scheduled contest during the regular season and/or postseason play. Suspension of student athletes or coaches occurring at the end of the season shall carry over to the next academic year and will be served during the first scheduled contest of that year.

*Penalty for Nonviolent Unsportsmanlike Behavior* — Any player, coach or team personnel guilty of non-violent unsportsmanlike behavior is subject to the national rules governing their sport. Should no such rule exist in the individual sport rule book, individuals will be subject to the following:

Note: Event administrators must report all incidents of unsportsmanlike behavior which result in ejection to their regional director.

## **NJCAA Policy on Alcohol/Drugs**

The National Junior College Athletic Association (NJCAA) is the governing body of intercollegiate athletics for two year colleges. As such, its programs are designed to meet the unique needs of a diverse group of student-athletes who come from both traditional and non-traditional backgrounds and whose purpose in selecting a two year college may be as varied as their experiences before attending college.

Given this perspective, the NJCAA accepts its responsibility by seeking to provide a competitive environment that is free from drug and substance use and abuse in any form for the purpose of facilitating or enhancing athletic performance by any athlete engaged in competition that is sponsored by the NJCAA.

It is the position of the NJCAA to serve as a resource and referral agency for any athlete, coach or administrator who wishes to secure information relative to the effects, consequences and potential avenues of treatment for substance abuse; to coordinate the efforts of coaches and athletic administrators, in their efforts to serve as educational liaisons for those student-athletes wishing to further their athletic careers at four-year institutions, that are subject to drug testing procedures; and to continue to endorse and encourage efforts on the part of member institutions to educate their athletes to the implications of drug usage in their lives beyond athletics.

It is a fundamental belief of the NJCAA that athletic participation is a privilege and that those athletes who use illegal performance-enhancing and/or recreational drugs substantively violate that privilege. In response to any violations of this nature that occur and are detected in NJCAA-sponsored events, continuation of rights and privileges of participation by the individual or the institution will be reviewed and revoked, as appropriate.

### **The NJCAA requires of its member institutions the following:**

- 1) Development and implementation of an alcohol, tobacco, drugs and other controlled substances awareness education program for all members of intercollegiate athletic department staff and student-athletes.
- 2) Development and distribution of an institutional policy statement relative to the use and abuse of alcohol, tobacco, drugs and other controlled substances. This policy statement should address participation and the expectations of the member institution for each intercollegiate athletic department staff member and student-athletes standard of behavior.
- 3) Development and implementation of a plan for referral, treatment and rehabilitation for all members of intercollegiate athletic department staff members and student-athletes with drug and/or alcohol related problems.
- 4) By using various resources of individual institutions in response to institutional needs and demands, investigate the feasibility of a complete and comprehensive drug use and abuse screening program.

Substances banned for use by student-athletes competing in NJCAA-sponsored events are those found on the NCAA list of banned drug classes. No substance belonging to the prohibited class may be used, regardless of whether it is specifically listed as an example by the NCAA.

### **Penalty for Alcohol/Drug Use at NJCAA Events**

1. The game official shall immediately notify the impaired individual and the impaired individual's coach, team captain or other school representative that the official has reasonable cause to believe that said individual is impaired to the extent of being a danger to the individual and/or to other participants and the specific reasons for such belief.
2. The game official may then declare the impaired individual disqualified from further participation or suspend from participation for such time as the game official believes necessary for the individual to recover from such impairment.
3. In the event the impaired individual objects to the decision of the game official, such decision may be immediately referred to the NJCAA representative, athletic director or their designee in charge of the sporting event, and said representative or other person-in-charge shall make the final determination as to the individual's impairment or lack thereof and the decision of the NJCAA representative, athletic director or other person-in-charge shall be final and binding with regard to any disqualification, suspension or overruling of the game official.
4. Nothing shall, however, prevent the impaired individual or such individual's school from subsequently requesting review of the game official's decision to the NJCAA executive committee. Said executive committee may review the decision of the game official and take such appropriate actions as may be justified and fair to all parties.

### **Tobacco**

The use of all tobacco products shall be prohibited in all practices and athletic events conducted under the auspices of the NJCAA and its member institutions. This rule shall apply equally to all student athletes, coaches, authorized team personnel and other individuals participating in an athletic event.

Penalty for use of tobacco products at NJCAA events — The event official shall immediately notify said individual(s) observed using any form of tobacco product or the aforementioned violation and shall enforce an immediate event disqualification and/or additional penalties prescribed by the national rules governing the sport.

Note — A coach serving a game suspension for any reason shall be restricted to the designated spectator areas and is prohibited from any contact, direct or indirect, with his or her team, assistant coaches and/or bench personnel, before, during, and immediately after the game.

### **Disciplinary Action**

1. Violations of the CODE OF CONDUCT for national events need to be referred to the National Office of the NJCAA.
2. The NJCAA Executive Committee shall act as a Board of Appeal. If the decision of the executive committee is challenged, such challenge must be resolved by submission of the issue or issues in question to binding arbitration according to the rules and procedures of the American Arbitration Association and as more fully set out in Article V of the NJCAA bylaws.
3. The NJCAA Executive Committee's decision does not prevent or assume other disciplinary action by the violators' college or law-enforcement agencies.
4. No other appeal procedures are authorized.
5. All other disciplinary action or problems not involving national events, contests or tournaments, and not provided for in the NJCAA Handbook and Casebook shall be referred to the appropriate regional director and/or conference administrator for decision.

# Letter of Intent for Athletes

  - The student-athlete loses academic eligibility, OR
  - The student-athlete graduates from the member college, OR
  - The student-athlete withdraws from the member college, OR
  - The student-athlete is disciplined by the campus authority responsible for campus discipline, and not related to athletic performance or team violations.
- The NJCAA Release Agreement must be electronically transmitted to the NJCAA National Office for all student-athletes no longer intending to receive aid.
- Unconditional: The member college may not add conditions or stipulations to the release agreement, including, but not limited to: limitation upon the student-athlete's subsequent college of attendance.

## Multiple Letters of Intent & Enrollment at Alternate Member College

- Multiple Valid NJCAA Letters of Intent: If more than one NJCAA Letter of Intent is signed prior to the execution of an NJCAA Release Agreement the student-athlete will immediately become ineligible to compete for one academic year.
- Non-Member Letters of Intent: The NJCAA Letter of Intent may be voided if the student-athlete signs a Letter of Intent with a non-member college.
- Enrollment at Alternate Member College: If a student-athlete enrolls at an NJCAA member college other than the member college to whom the student-athlete committed, prior to fulfilling the terms of the original Letter of Intent, the student-athlete shall be restricted from having any athletic contact with any member of the attending college's athletic department.
- Simulated Letter of Intent Signing: No member of the college coaching staff or representative of the member

college's athletic interest may take part in any event or make any statement implying that a student-athlete has signed an NJCAA Letter of Intent, including but not limited to, pictures and/or articles appearing in news media.

## **Transfer Rules (NJCAA)**

Fall participants in the sports of softball, baseball and tennis shall not prevent students from competing in the same sports during the spring season or the same academic year after having transferred from another college and satisfied all the transfer provisions of the eligibility rules. One exception is if a student has transferred from a school that has dropped his or her particular sport. Documentation of the program being dropped must be provided when submitting the eligibility.
3. Students who participate in a sport before a term begins, between terms or within the first 15 calendar days of a term and subsequently transfer before or within the first 15 calendar days of the term must serve probation before they are eligible to participate in athletics.
