

REDLANDS COMMUNITY COLLEGE
ONLINE ENROLLMENT GUIDE w/ LOCATION TRANSLATIONS

REMINDER: Since online enrollment is new to Redlands, we ask that you first obtain a degree audit to ensure you select the right classes. A degree audit can be obtained from RConnect or from the Registrar's Office.

If you are eligible to enroll online, click the link to 'Add/Drop Courses' under the 'Registration' heading in RConnect, but remember you are responsible for any classes you may take that do not apply toward your degree program.

 Who can enroll online?

- Any student who passes all of the online enrollment criteria established by the Director of Enrollment Management and the Division Directors of Instruction.

 What are the online enrollment criteria?

- First-time college students and first-time RCC transfer students CANNOT enroll online.
- You must have been advised by a Redlands Student Services advisor for at least one semester and know how to read and use your online degree audit, the class schedule, course catalog, and this online enrollment guide with location translation table.
- If you are a member of any of the following special groups, you CANNOT enroll online:
 - Concurrent high school students
 - Project AIMS students
 - Tech Center students
 - Students majoring in the AAS – CJ degree
 - Scholars for Excellence in Child Care students
 - Developmental courses students – students who need to take ENGL 0113, ENGL 0123, COM 0123, COM 0133, MATH 0013, MATH 0103, MATH 0113, and MATH 0123
- You must have completed or be in the process of completing a total of at least 24 credit hours.

- Students who need to enroll in MATH 1513 – College Algebra or ENGL 1113 – English Composition I must contact an advisor in Student Services; neither class is eligible for online enrollment.
- Students CANNOT enroll online in nursing (NURS) courses.
- If you have ANY type of academic or financial hold, you CANNOT enroll online.

- Please carefully read through the location translations below – make sure you take classes convenient for you. For example, if you live in El Reno, OK, you probably want to take classes that take place on-campus or nearby – you wouldn't want to take a class in Seiling, OK (abbreviated SEILNG) or Shattuck, OK (abbreviated SHATCK). The Darlington campus is approximately 3.2 miles north and 3 miles west of El Reno, and the Royse campus is approximately 5.6 miles north of El Reno. All other locations are outside of the El Reno area and are considered off-campus. Please call Student Services at 405.422.1417, if you have questions about the location of a class.
