2013-2014 PAYMENT AND HOUSING INFORMATION

ROOM RESERVATIONS
When the Application for Admission, Housing Application, $200 deposit AND the signed Contract for Student Housing Services have been received, the Residence Life Office will be notified and accommodations will be conditionally reserved based upon availability and order of receipt of completed documents.

Although the contract process allows an applicant to request a specific type of apartment and roommate, the applicant is contracting for on–campus housing accommodations, NOT for a particular apartment, building or roommate.

Room, apartment and building requests will be given preference based upon prior residents’ requests and payment received dates. Requests for a two-bedroom apartment are based upon prior residents’ request, payment received dates, and availability.

ROOM ASSIGNMENTS
When the student has been officially admitted and has enrolled as a full-time student AND the advance rent payment or financial payment arrangement documents are received, residential accommodations will be finalized and student will be notified.

PAYMENT OF CHARGES
When studying the rent plan information, please note that a Resident must pay the housing charges in full or have satisfactory payment arrangements approved before the Resident can move into student housing*. The charges can be paid in full by academic year or by semester or paid in installments. If a Resident is receiving assistance through the Financial Aid Office, the entire semester’s housing charges will be paid from any Financial Assistance the Resident is awarded before the Resident will be eligible to receive any refund.

*A Resident may be approved for an extension of payment or an installment payment plan if the Resident has been approved for Financial Assistance and is waiting for funds to arrive or has enrolled in the FACTS Payment Plan or PENDING FACTS Payment Plan. A Resident will not be allowed to make installment payments if Financial Assistance money is available to cover the entire semester’s charges. Please contact the Bursar’s Office for more information on housing payment extensions. Deposits cannot be included as part of the extension.
