

Nursing Student Resources

Helpful Books

[Mosby's Manual of Diagnostic and Laboratory Tests](#)

[Stedman's Medical Dictionary for the Health Professions and Nursing](#)

Finding Articles

Links to LRC Databases

Use link on website that is updated. Click on Current students then click under library. Look on right-hand side of screen and under "research tools" click on "tutorials" then click under "How to do Research". There are more in depth search tools under "tutorials".

[EBSCO](#)

[Off-Campus Access for LRC Databases](#)

Click on the "Student" tab at the top, then "Library Services" in the left-hand menu. You will have access to all library databases.
