

Science Student Resources

Helpful Books

[Cambridge dictionary of Biology](#)

[A Dictionary of Botany](#)

[McGraw-Hill Dictionary of Chemistry](#)

[Cambridge Dictionary of Science and Technology](#)

[Introduction to the Health Professions](#)

Finding Articles

Use link on website that is updated. Click on Current students then click under library. Look on right-hand side of screen and under “research tools” click on “tutorials” then click under “How to do Research”.

Links to LRC Databases

[EBSCO](#)

[Off-Campus Access for LRC Databases](#)

Click on the “Student” tab at the top, then “Library Services” in the left-hand menu. You will have access to all library databases.

LRC Catalog Subject Searches
