Everyone knows the importance of building a strong and solid foundation, for without one, everything that is built will crumble. We invite you to join us in building a strong foundation to help us support our students.

The Redlands Community College Foundation, Inc., is a non-profit 501 (c) 3 corporation, exempt from federal and state income tax. The Foundation exists to provide scholarships and support for academic and program enhancement to Redlands.

Since its creation in 1976, the Redlands Foundation has served the college and its students by providing scholarships to our students, as well as playing an integral role in increasing the size and scope of the college itself.

We believe that access to quality higher education is fundamental to the social and economic welfare of those students whom we seek to serve. A major purpose of the Redlands Community College Foundation is providing scholarships to deserving students. You can play an important role in this commitment to higher education and help our students fund their education through either a payroll deduction or a direct contribution to the Redlands Community College Foundation. You may, of course, decide the amount you choose to contribute, but be assured, each and every dollar will help us provide scholarships to our students and go towards funding projects that help Redlands accomplish its mission. Your gift is tax deductible, so please give generously and help us help our students succeed.

We help students explore new ideas and concepts; we help them in the classroom, we help them learn; lets help them financially in order to complete their education.
Program Benefits

Bench the Way for Student Success is a way for you to preserve your name, commemorate a loved one, honor your favorite team, or celebrate a special event, all with personalized benches that will be placed around campus.

Each bench is $500.00. Your purchase is tax-deductible and all proceeds support the Redlands Community College Foundation for student scholarships, campus and community activities, cultural and educational events and special programs. Please help us pave the way for student success through the purchase of an engraved bench today!
