

NCAS

NASA COMMUNITY COLLEGE AEROSPACE SCHOLARS

Trying to make a connection between STEM classes and a career? NASA Community College Aerospace Scholars (NCAS) will help you:

- Learn about NASA research and missions in a 5-week online learning experience
- Chat with NASA engineers and scientists
- Compete for a 2020 summer NASA internship reserved for your school's participants
- Build your career through upcoming NASA activities and opportunities

If selected to attend NCAS Campus Event, students pay a \$35 registration fee.

Information Sessions:

Friday March 29 at 12:30 pm CST
<https://redlandscs.zoom.us/j/732335370>

Wednesday April 10 at 4:00 pm CST
<https://redlandscs.zoom.us/j/899095915>

Campus event will be held in the fall of 2019 at Redlands Community College.

Hotel accommodations and travel for the fall event may be supported in part by OKSG. However, additional funding may be needed hence please inquire with your school.

Program contingent on student numbers.
